Dear Sirs

East of England Ambulance Service NHS Trust would like to register as an interested party:

The East of England Ambulance Service NHS Trust (EEAST) consider that the Project (Norwich to Tilbury) is likely to have a significant impact on its operations, service capacity and resources (staff, vehicle fleet and estate assets) requiring appropriate mitigation and management measures to be identified and secured through either a planning obligation or Deed of Covenant. Such measures are likely to incorporate:

- Developer funding & new ambulance facilities provision to increase the capacity, response capability and project preparedness for EEAST's staff, vehicle fleet & estate assets;
- Establishing appropriate Terms of Reference, Membership & a Communications Strategy for a Transport, Community Safety, Health & Wellbeing Working Group – to include EEAST as an emergency service provider, along with its health and blue light partners such as the local Norfolk & Suffolk and Essex Integrated Care Systems, Norfolk, Suffolk and Essex Constabulary and Norfolk, Suffolk and Essex Fire and Rescue.
