Good morning,

We in north/mid Essex are very disappointed to have been ignored in the choice of venues. Ipswich is about 40 mins away, and Orsett/Grays about an hour, with both involving long stretches on the often jammed A12.

Bearing in mind that the most hard-hit area along the entire route is Ardleigh/Dedham/Lt Bromley, I really don't understand why the obvious Colchester United Stadium was not chosen. This is also a central point on the line.

I realise we can participate online if we wish to, but will also wish to be present at the events to discuss in person, but unable to be, due to distance/timing.

Please include the Colchester Stadium for all future hearing dates
