The residential property [REDACTED] is less than 200 metres from TB023 and TB024, and [REDACTED] 270 metres from TB023. Planning permission for the conversion of an agricultural barn to residential use, adjacent to [REDACTED], has recently been granted. The close proximity of the works to these three properties raises significant concerns regarding the impact on residential amenity.

Similarly, the rural business park, just 150 metres from TB023, faces significant risks from the proposed pylons
