

Cadent Gas Limited ("Cadent") is a licensed gas transporter under the Gas Act 1986, with a statutory responsibility to operate and maintain the gas distribution networks in North London, Central and North West England. Cadent's primary duties are to operate, maintain and develop its networks in an economic, efficient and coordinated way. Cadent has high, intermediate, medium and low gas pipelines and associated apparatus located within the order limits which are affected by the works proposed and which may require diversions subject to the impact and should be treated as an interested party.
