I am submitting additional written comments to back up what my family said at the open floor hearing on the 12th February 2026. I would like to request the planning inspectorate (accompanied by a member of the family) visit all the Grade 1 and Grade 2 listed properties and a registered park that are owned by my family that are severely impacted by the proposed pylon route and mentioned in Historic England's Heritage Impact Assessment report. This is in Great Waltham, Chelmsford, Essex

I would also like the planning inspectorate to visit the alternative route North West of Great Waltham, Chelmsford, Essex to show the severely reduces heritage impact.
