

Submission ID: SFDB0E733

On 18 January I wrote requesting a ISH for General Aviation. I would like to request to be able to speak at that ISH if this request is accepted. If this request is not accepted, I request to be able to speak at any hearing relating to 'Safety and Security' and 'Socio-economics, recreation and tourism' issues as set out in Annex C of the Rule 6 Letter, List of Issues.
