# Appendix A Details of Purpose for Which Compulsory Acquisition and Temporary Possession Powers are Sought

## 1.1 Overview

- 1.1.1 This Appendix identifies, with reference to the principal Work Numbers included in Schedule 1 to the **3.1 Draft DCO [REP2-004]** and shown on the Works Plans within **Proposed Change Application 2: Book of Plans – Change Request 2 (Little Bromley)** [document reference 9.14].
- 1.1.2 The purpose(s) for which powers of compulsory acquisition and/or temporary possession are sought over each plot of land comprised within the Order land (being the land shown on the Land Plans within **Proposed Change Application 2: Book of Plans – Change Request 2 (Little Bromley)** [document reference 9.14], and described in the **Proposed Change Application 2: Supplementary Book of Reference – Change Request 2 (Little Bromley)** [document reference 4.3].

## 1.2 Using the Document

- 1.2.1 This Appendix should be read in conjunction with and by reference to the following:
- **Proposed Change Application 2: Book of Plans – Change Request 2 (Little Bromley)** [document reference 9.14].
  - **3.1 Draft DCO - Change Request 2 (Little Bromley) (CA2)**
  - **3.2 Explanatory Memorandum - Change Request 2 (Little Bromley) (CA2)**
  - **Proposed Change Application 2: Supplementary Book of Reference – Change Request 2 (Little Bromley)** [document reference 4.3].
- 1.2.2 This Appendix is comprised of a number of tables, which reflect the nature of land use powers sought by National Grid and by UK Power Networks (UKPN) pursuant to the Class of Rights as shown in Table 1.1 below.
- ### Project Sections
- 1.2.3 The Project is divided into eight geographical sections, based largely on Local Authority boundaries for ease of reference. They are presented in the Environmental Statement (ES) Figure 1.1: Site Location Plan and Project Sections (document reference 6.1.F1), and comprise:
- Section A – South Norfolk Council
  - Section B – Mid-Suffolk District Council

- Section C – Babergh District Council, Colchester City Council and Tendring District Council
- Section D – Colchester City Council
- Section E – Braintree District Council
- Section F – Chelmsford City Council and Brentwood Borough Council
- Section G – Basildon Borough Council and Brentwood Borough Council (and part of Chelmsford City Council)
- Section H – Thurrock Council

1.2.4 In respect of the Change Request 2 (Little Bromley), ‘Section C - Babergh District Council, Colchester City Council and Tendring District Council’ is affected, consequently, the Appendix A for Change Request 2 (Little Bromley) only concerns Section C.

Brown	Class 1 - Compulsory Acquisition of land	Article 24
Green	Class 2 – Compulsory Acquisition of Rights: Overhead Line	Article 25
Orange	Class 3 - Compulsory Acquisition of Rights: Underground Cable System	Article 25
Grey	Class 4 - Compulsory Acquisition of Rights: Overhead Line and Underground Cable System	Article 25
Blue	Class 5 – Compulsory Acquisition of Rights: Access	Article 25
Pink	Class 6 – Compulsory Acquisition of Rights: Drainage	Article 25

Uncoloured	Class 8 – Land not subject to powers of acquisition nor temporary use	N/A

1.2.5 Tables labelled (i) incorporate plots of land where land use powers are sought for purposes connected to works to be undertaken by National Grid, whilst tables labelled (ii) incorporate plots of land where land use powers are sought for purposes connected to works to be undertaken by UKPN.

1.2.6 The first column of each table in this Appendix identifies the plot number (as shown on the Land Plans and used in the Book of Reference). Plots are listed sequentially across Sections A to H and are grouped in each row to the extent that they are located on the same Land Plan Sheet.

1.2.7 The second column in each of the tables sets out the corresponding principal Work Numbers included in **Schedule 1** of the **3.1 Draft DCO [REP2-004]** and shown on the **Works Plans Proposed Change Application 2: Book of Plans – Change**

**Request 2 (Little Bromley) [document reference 9.14].** Table 1.2, below, summarises the principal Work Numbers and should also be read alongside the DCO Explanatory Memorandum (document reference 3.2) which contains a further description of each of those Work Numbers). The third column in each table clarifies the overriding Class of Right sought in those plots.

1.2.8 As stated in Section 5.4 of this Statement, powers of temporary possession are being sought over an area greater than that proposed for permanent acquisition. Table A.4, therefore, sets out those plots of land where only temporary possession powers are being sought.
