Norwich to Tilbury

Volume 6: Environmental Statement

Document: 6.4.F2 Environmental Statement Figure 4.2 - Proposed
Project Design - Permanent Features

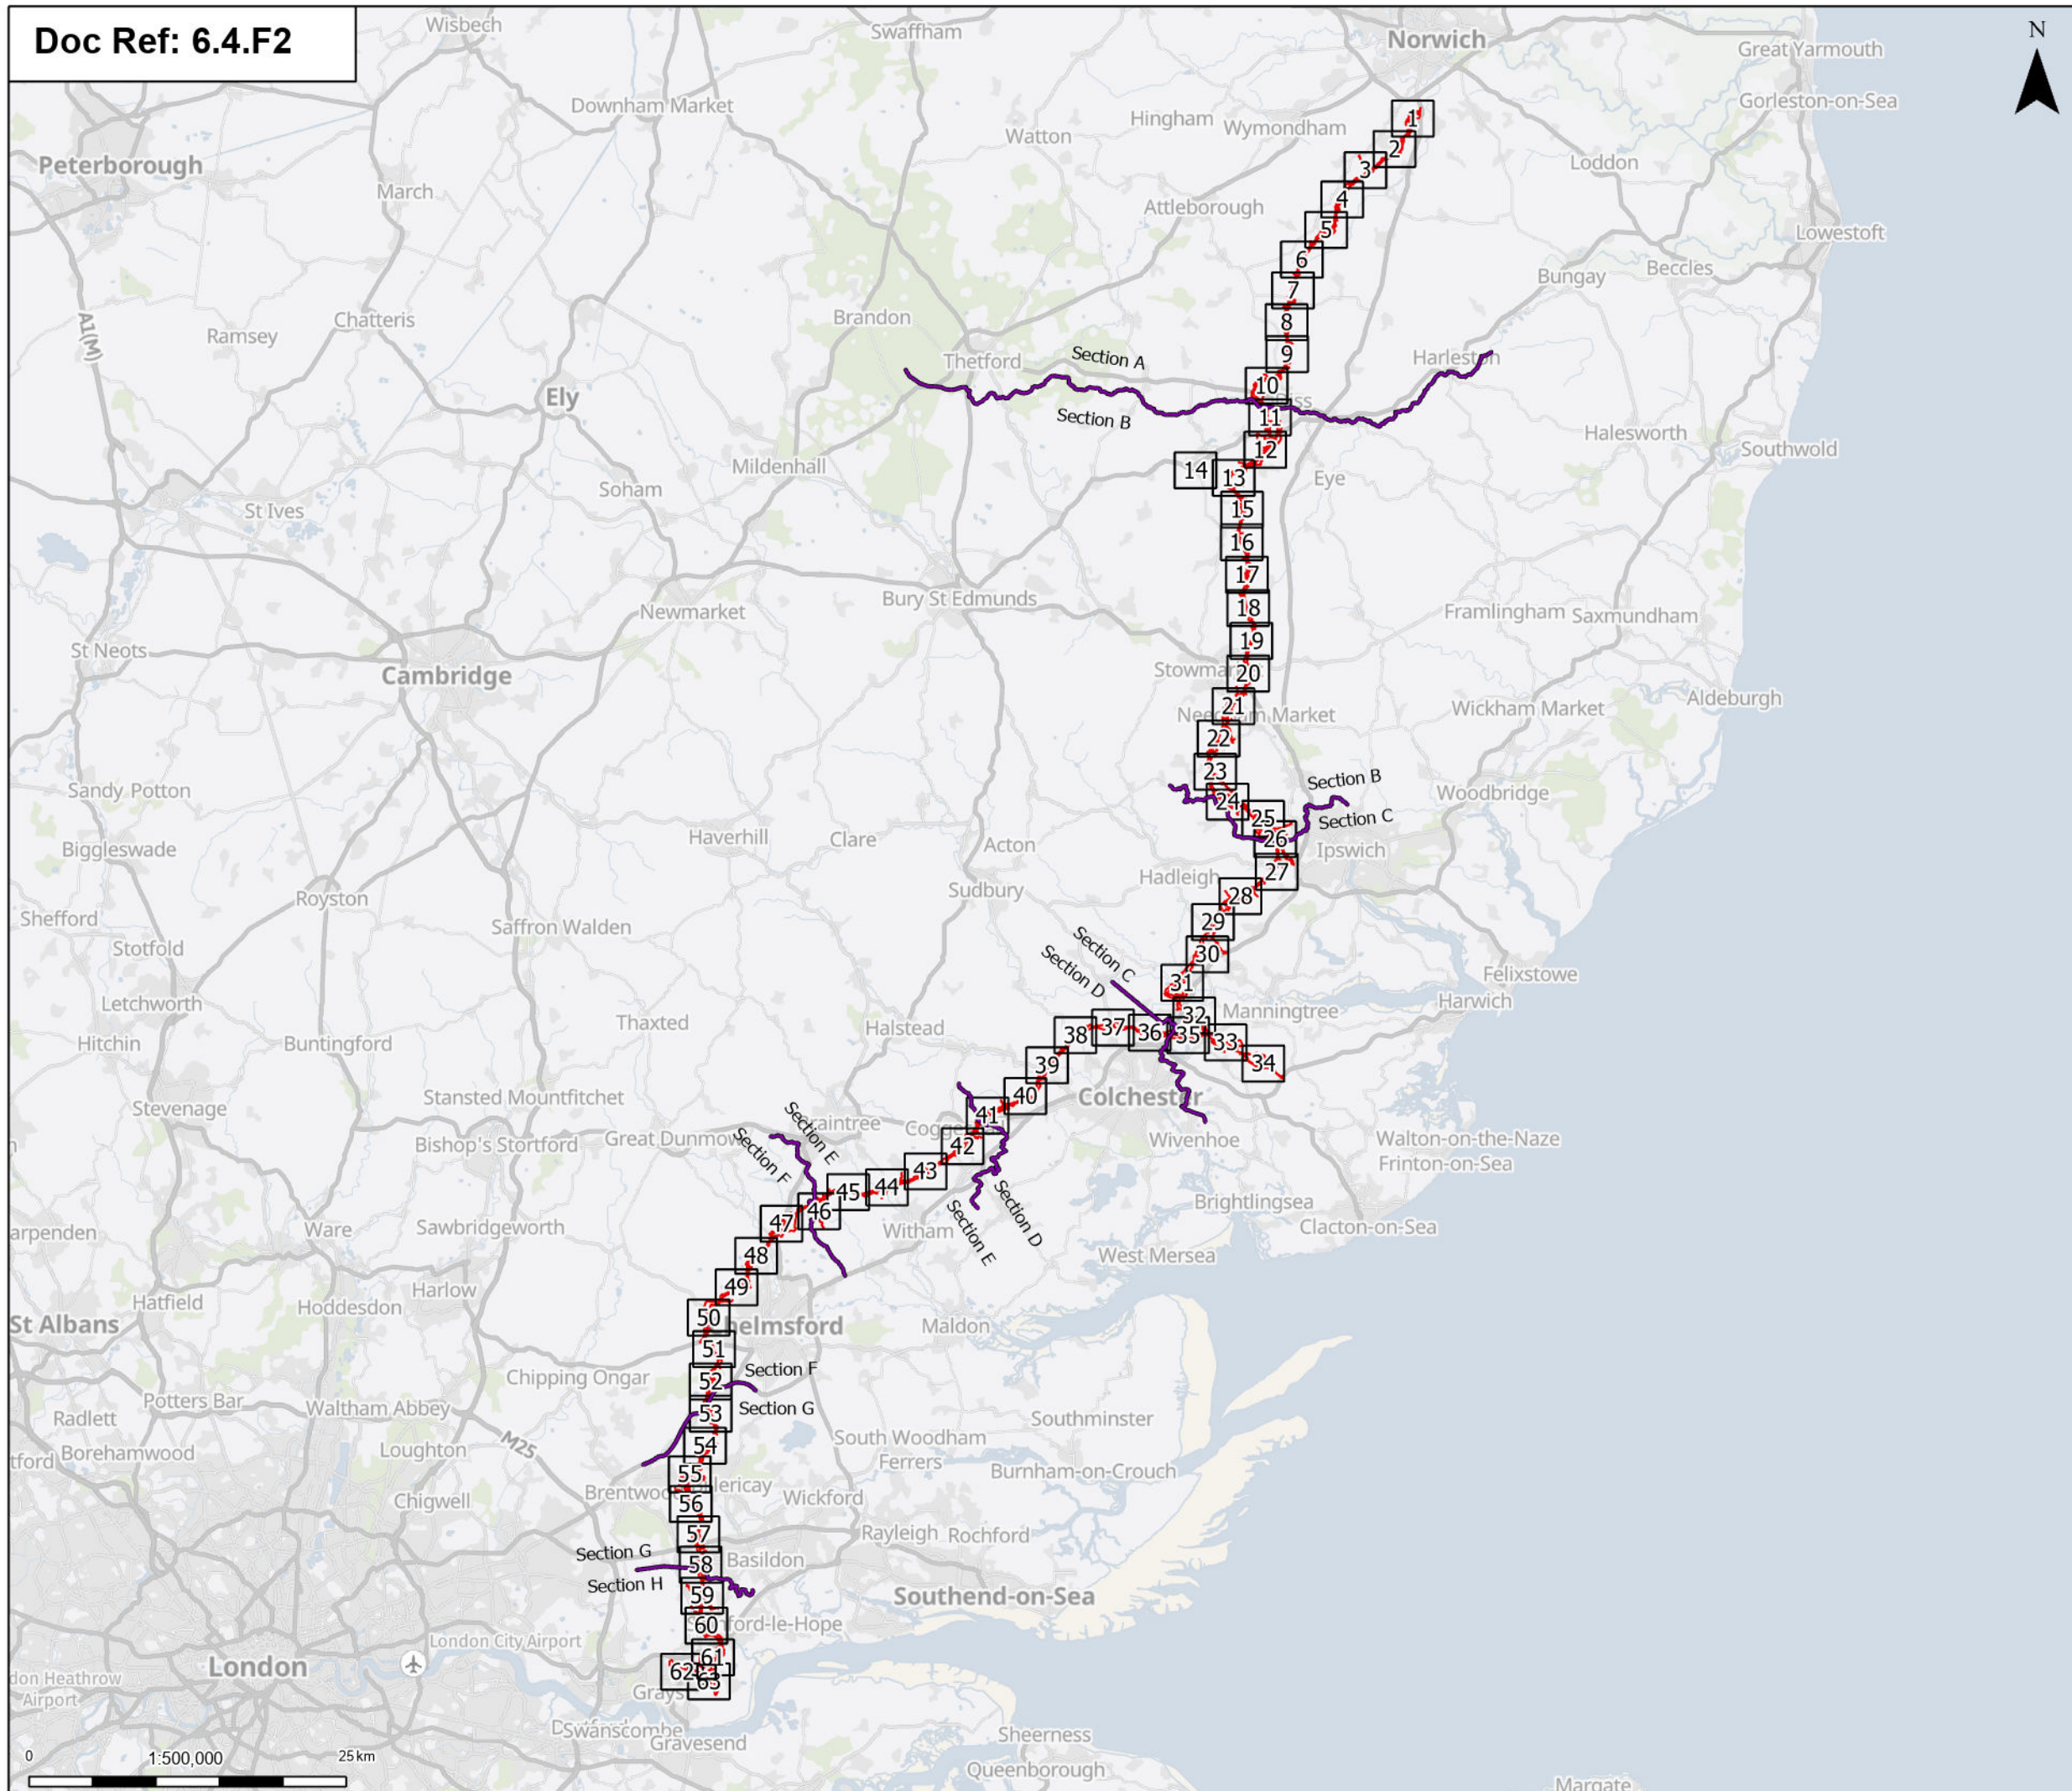

Final Issue B

May 2026

Planning Inspectorate Reference: EN020027

Infrastructure Planning (Applications: Prescribed Forms and Procedure)
Regulations 2009 Regulation 5(2)(a)

nationalgrid

Order limits
Page
Project section line

The lateral LoD of 50 m either side of centreline and the unlimited longitudinal LoD allows flexibility to move pylon positions in any direction for unforeseen circumstances, such as poor ground conditions or archaeological finds, and to cater for maximum conductor (overhead line) swing. Commitments to restrict the LoD for specific pylon locations are included within the Outline CoCP (document reference 7.2)
