

Submission ID: S5A7F09C4

I want to know why you require a third of my garden if pylons are erected in the field I overlook  
No one has requested to survey my garden and explain this

Submission ID: S5A7F09C4

I would like to know exactly why a third of my garden is required if pylons are erected in the field I overlook

No one has explained this to me

No one has requested a visit to survey this area
