

EN020027 - Volume 8 Examination Documents. There has been a bilateral discussion between Blackwater Aggregate - Bradwell quarry and National Grid to realign TB084-TB087 to reduce sterilisation of the quarry. This will however move the line materially closer to the listed buildings in Felix Hall place. Particularly the Clock House, the Orangery and Felix Hall. We urgently ask this decision be looked at again to avoid the significant impact on these Heritage Assets. We will ask Heritage England and Essex County Council - place services - to do the same
