Dear Ms Hunt

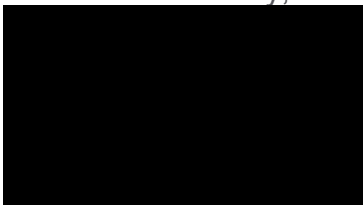

National Grid Electricity Transmission plc
The proposed Norwich to Tilbury Development Consent Order
Applicant's Deadline 8 Closing Statement

We have been reviewing our deadline 8 submissions and have unfortunately noted an error in document **8.34 – Applicant's Closing Statement with a Summary of Areas of Disagreement**.

This relates to the way the document describes the proposed delivery of BNG. Paragraph 3.4.50 correctly describes the delivery mechanism as being through Requirement 11 of the draft DCO. However, paragraph 3.10.88 refers to the previous position, namely delivery through a legal agreement. In previous deadline submissions, the Applicant explained that the delivery mechanism had changed from a legal agreement to a requirement in the draft DCO. We are drawing this matter to the Examining Authority's attention for the avoidance of any doubt.

Please acknowledge safe receipt of this letter.

Yours sincerely,

Project Director

National Grid plc
