**Morgan and Morecambe Offshore Wind Farms Transmission Assets**  
**The Examining Authority's Written Questions and Requests For Information (ExQ1)**

Dear Sir / Madam,

Further to the application relating to the Morgan and Morecambe Offshore Wind Farms Transmission Assets, we wish to provide our responses as follows in relation to Deadline 3.

**Question:-** Shipping and Navigation: Q17.3.5

### **Amendments to dDCO**

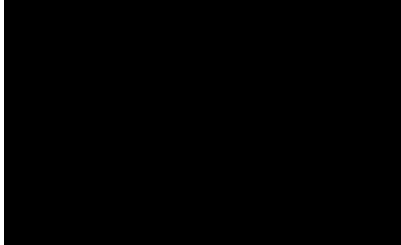

*"Confirm that the amendments made by the applicants to the dDCO [REP2-004] in response to your comments in [REP1-209] are acceptable. If not, what further amendments would you suggest?"*

### **Trinity House Response:-**

We confirm that we are content with the amendments made by the applicants to the dDCO, and that the amendments made accurately reflect our written representation. We further confirm that we are now content with the drafting of the dDCO.

We trust our response comprehensively deals with the above question. However, should further information be required, or for any further matters relating to this project, please address all correspondence to me at [REDACTED]@trinityhouse.co.uk, CC'ing in the Navigation Services Manager, Mr. Stephen Vanstone, at [REDACTED]@trinityhouse.co.uk.

Yours faithfully,

Legal Executive
