Dear Ms Batty

Thank you for your email which has been forwarded to the Morgan and Morecambe Offshore Wind Farm Transmission Assets project.

The Morgan and Morecambe Offshore Wind Farm Transmission Assets project is for 'Transmission assets associated with the Morgan Offshore Wind Project and the Morecambe Offshore Windfarm including: offshore export cables, onshore landfall infrastructure, onshore export cables, onshore substations, onshore grid connection cables and circuit breaker compounds, and other related onshore infrastructure' which is described on the [project webpage](#).

Please can you confirm if your below email is in relation to the Morgan and Morecambe Offshore Wind Farm Transmission Assets project or another project.

Kind regards

Rebecca

I wanted to ask if the other possibilities for a wind farm have been costed?? The current plan seems to be the largest and would probably incur the most financial profit for Morecambe and Morgan. The other options mentioned on the open hearing in May are more beneficial for local people, businesses and the environment. Please ensure the alternative proposals have been costed in terms of all the benefits. Thank you Gillian Batty
