Thank you for inviting the Maritime and Coastguard Agency (MCA) to provide additional information to the Examining Authority as part of its assessment of the proposed Morgan and Morecambe Offshore Wind Farms Transmission Assets project. We would like to submit the following response to the first written questions (ExQ1).

Written Questions (ExQ1)

Question and reference		MCA Response
Q17.3.1	Cable laying burial surveys Confirm that the post cable laying burial surveys proposed by the applicants in [REP2-031] are acceptable. If not, what further amendments would you suggest to the draft Development Consent Order (dDCO) [REP2-004]?	MCA is satisfied with the applicant's response in REP2-031 that the requirements for post-construction bathymetry surveys and monitoring are secured in the DCO conditions.
Q17.3.2	Amendments to dDCO Confirm that the amendments made by the applicants to the dDCO [REP2-004] in response to your comments in [REP1-086] are acceptable. If not, what further amendments would you suggest?	MCA is satisfied that the amendments to the dDCO are acceptable.

Yours faithfully,
