Dear Sirs

Morgan and Morecambe Offshore Wind Farms Transmission Assets.

We act on behalf of Cadent Gas Limited ("Cadent") in relation to the application for the Morgan and Morecambe Offshore Wind Farms Transmission Assets (the "Application").

With reference to the content of our previous submissions, we now advise that commercial terms between the Applicant and Cadent have been agreed, and that these have now been formalised by way of a completed agreement. There is, therefore, now no disagreement regarding the protective provisions benefitting Cadent that appear in the draft Development Consent Order [REP3-009].

Please accept this letter as a late deadline 4 submission and Cadent's formal notice of the withdrawal of their existing representations regarding the Application [AS-058, REP1-018].

For the avoidance of any doubt, the Examining Authority should place no weight on any of the withdrawn representations.
