Good morning

Thank you for your email requesting that we stop writing to you. Please note that the reason we are writing to you is because you registered as an interested party on 25 January 2025. We are required to inform all interested parties of progress of the application. Therefore, if you no longer wish to receive updates or communications from us, you will need to confirm that you withdraw your [relevant representation](#). This action would result in the removal of your interested party status.

Please be aware that once withdrawn, you will not be able to re-register as an interested party at a later stage in the examination process.

Please confirm how you would like to proceed.

Best wishes,

Planning  
Inspectorate
