I know why you are writing to me and I understand the legal requirement to do so.

I want you to stop emailing me.

If formally withdrawing my interest is what it needs to stop you contacting me then consider this as a formal withdrawal of interest

Remove all my details including email address as a matter of urgency

Regards

Good morning

Thank you for your email requesting that we stop writing to you. Please note that the reason we are writing to you is because you registered as an interested party on 22 January 2025. We are required to inform all interested parties of progress of the application. Therefore if you no longer wish to receive updates or communications from us, you will need to confirm that you withdraw your [relevant representation](#). This action would result in the removal of your interested party status.

Please be aware that once withdrawn, you will not be able to re-register as an interested party at a later stage in the examination process.

Please confirm how you would like to proceed.

Best wishes,
