Dear Sir or Madam

Further to correspondence below, I can confirm that NGET has now reached an agreed position with both Morgan Offshore Wind Limited and Morecambe Offshore Wind Limited and as a result of that agreement NGET wishes to withdraw its objection to the Order. NGET notes that its preferred protective provisions were included in the Deadline 6 version of the DCO.

I would be grateful if you could please confirm safe receipt.

Kind regards

Dear Sir or Madam

We act on behalf of National Grid Electricity Transmission plc (**NGET**) in relation to its role as an Interested Party in the Morgan and Morecambe Offshore Wind Farms Transmission Assets Project.

By way of an update, NGET has now reached an agreed position with Morgan Offshore Wind Limited in relation to the interactions between its part of the wider Project and NGET's apparatus and interests and has completed a confidential side agreement confirming that position.

NGET has also reached an agreed position with Morecambe Offshore Wind Limited, subject to completion of a confidential side agreement. This is anticipated to follow early in the new year, following the winter holiday season. NGET cannot withdraw its objection until both agreements are completed and will update the Examining Authority once this position is reached.

Kind regards
