Your Ref: [REDACTED]

Dear Sir/Madam,

As you are aware Morgan & Morecambe Offshore Wind farms have withdrawn from this project. This of course has made a significant reduction in the compensation i will receive. The land has already become worthless !!!!

For a second time i am requesting that the now single pipeline be moved over the the side of my land fronting [REDACTED] rather than it goes through the middle of the plot of land.

I only signed the agreement on the basis of the compensation i was originally informed i would receive.

Surely the original agreement must be now void.

I trust you can look at my request favorable with applying "common sense".

Yours Sincerely,

Trevor Enstone.
