Subject: objection to Starr Gate being used to bring in the pipeline for windfarm
Date: 30 May 2026 17:13:52

I am writing to object to the proposal of disrupting Starr Gate Sand dunes etc to enable the pipeline to come in for the windfarm, which would affect the sand dunes which are protected by law.

I live in [REDACTED]
[REDACTED] I am dreading all the noise and disruption this will cause, which will greatly affect the rest of my life, when I should be enjoying [REDACTED].

Why, can't it go through Stannah at Thornton Cleveleys, who have said they would welcome this and it would cause minimal destruction or disruption?

It would also affect the property prices in our area.
