**Subject:** Objection

I am writing to object to the proposal of disrupting Starr Gate Sand dunes etc to enable the pipeline to come in for the windfarm, which would affect the sand dunes which are protected by law.

I have lived at Starr Gate for [REDACTED] years, [REDACTED]  
[REDACTED]. Any undue stress will have a detrimental affect to my ongoing health concerns, and any chance of experiencing quality of life, will be non existent. I [REDACTED]  
[REDACTED] spend most of my time at home, the magnitude of the consequences to myself as a result of the disruption this will create is unbearable to think about.

I am aware that there are other proposals which would be welcomed for the site so these surely should be considered?

I cannot express how fearful I am of this situation, I am sure I will not be alone with these fears.

Yours sincerely

Mrs Margaret Barbour
