

Once again more questions to comment on but this process need to come to a final conclusion

The effects and uncertainty on people's lives has gone on long enough.

There are only so many times that you can say this project has not proved through the examination stage that it can be delivered, and I urge the SOS to take this into account and make the right decision and concentrate on projects that are possibly more deserving and can be delivered. The longer it goes on, the less faith I have in the whole system.
