Notes

1. This drawing is scaled at paper size A0, therefore any prints taken at smaller sizes will affect accuracy of the measurement units and should not be scaled against.

2. For additional detail on the plan suites, please refer to the 'Guide to the Plans' located in Volume 2 of the DCO Application.

3. These plans are indicative only and the Project will be located within the Order Limits. Due to the need for flexibility, National Grid will be applying for Limits of Deviation within the Order Limits and the Development Consent Order, within which any final alignment would be located.

4. The Birkhill Wood and High Marnham Substations, and associated Gantry structures do not form part of this Project. They have been shown for reference only, and are included in the Order Limits for access and to enable the overhead line connections to be constructed.
