1. Regional and Local Planning Policy

1.1 Introduction

1.1.1 This appendix to **Application Document 6.18 Chapter 18 Health and Wellbeing** sets out the planning policies from the relevant regional and local plans listed in **Application Document 6.2 Chapter 2 Legislation and Policy Context** which are considered relevant to the health and wellbeing assessment.

1.1.2 Policies within the following plans are considered relevant to health and wellbeing and have been detailed in Table 1.1 to Table 1.12.

- East Riding of Yorkshire Local Plan Update 2020–2039 - Strategy Document Update April 2025 (East Riding of Yorkshire Council, 2025);
- East Riding Joint Health and Wellbeing Strategy 2023-2028 (East Riding of Yorkshire, 2023);
- Ellerker Neighbourhood Development Plan (2024-2039) Adopted Version (January 2026) (Ellerker Parish Council, 2026);
- North Lincolnshire Local Development Framework Core Strategy Adopted June 2011 (North Lincolnshire Council, 2011);
- Saved Policies of the North Lincolnshire Local Plan 2003 Updated October 2024 (North Lincolnshire Council, 2024);
- North Lincolnshire Health & Wellbeing Strategy 2025-2035 (North Lincolnshire Council, 2025);
- Bassetlaw Local Plan 2020-2038 29 May 2024 (Bassetlaw District Council, 2024);
- Bassetlaw District Council Health and Wellbeing Strategy 2024-2027 (Bassetlaw District Council, 2024);
- Headon, Upton, Grove and Stokeham Final Neighbourhood Plan 2018- 2035, (March 2018) (Bassetlaw District Council, 2018);
- Rampton and Woodbeck Neighbourhood Plan 2019-2037 (Rampton & Woodbeck Parish Council, 2021);
- Walkeringham Neighbourhood Plan 2019-2035 (Walkeringham Parish Council, 2021); and
- Nottinghamshire Joint Health and Wellbeing Strategy for 2022-2026 (Nottinghamshire Health and Wellbeing Board, 2022).

East Riding of Yorkshire Local Plan Update 2020–2039

1.1.3 The East Riding of Yorkshire Local Plan Update 2020-2039 (East Riding of Yorkshire Council, 2025) policies set out in Table 1.1 are considered relevant to health and wellbeing.

Table 1.1 – East Riding of Yorkshire Local Plan Update 2020-2039 policies relevant to health and wellbeing

Policy	Where this is covered in the application
Policy C2: Supporting community services and facilities	The policy aims to retain or enhance existing community services and facilities. The potential effects on community facilities are assessed in **Application Document 6.17 Chapter 17 Socio-economics, Recreation and Tourism** and **Application Document 6.18 Chapter 18 Health and Wellbeing**.
Policy C3: Providing public open space for leisure and recreation	The policy sets out that proposals should maintain or enhance the quantity, quality and accessibility of open space. **Application Document 6.17 Chapter 17 Socio-economics, Recreation and Tourism** assesses the effect on open space due to severance, amenity, and land take impacts. **Application Document 6.18 Chapter 18 Health and Wellbeing** draws upon these findings and considers the effects on open space on mental and physical health.

East Riding Joint Health and Wellbeing Strategy 2023-2028

1.1.4 East Riding of Yorkshire Council's Joint Health and Wellbeing Strategy 2023-2028 (East Riding of Yorkshire, 2023) sets out a vision and priority outcomes relevant to health and wellbeing, as outlined in Table 1.2.

Table 1.2 – East Riding of Yorkshire Joint Health and Wellbeing Strategy 2023-2028 vision and priority outcomes relevant to health and wellbeing

Vision/priority outcome	Where this is covered in the application
Vision: '*an East Riding where all residents are supported to enjoy their maximum potential for health, wellbeing, and participation, throughout their lives*'.	As set out in **Application Document 6.18 Health and Wellbeing**, the health and wellbeing assessment considers the effect of the Project on health and wellbeing and aims to mitigate any adverse impacts.
Priority outcome: Children and young people enjoying good health and wellbeing.	As set out in **Application Document 6.18 Health and Wellbeing**, the assessment of health and wellbeing considers all populations, including children and young people. As discussed, the assessment aims to mitigate any adverse impacts on the general population and vulnerable groups.
Priority outcome: Working age adults reduce their risk of ill health.	As set out in **Application Document 6.18 Health and Wellbeing**, the assessment of health and wellbeing considers all populations, including working age adults. As discussed, the

Vision/priority outcome	Where this is covered in the application
	assessment aims to mitigate any adverse impacts on the general population and vulnerable groups.
Priority outcome: Residents achieve healthy, independent ageing.	As set out in **Application Document 6.18 Health and Wellbeing**, the assessment of health and wellbeing considers all populations, including older residents. As discussed, the assessment aims to mitigate any adverse impacts on older residents, and is considered a vulnerable group.
Priority outcome: Health inequalities are reduced.	As set out in **Application Document 6.18 Health and Wellbeing**, the assessment considers health inequalities, providing an assessment for both the general population and vulnerable groups. As discussed, the assessment aims to mitigate any adverse impacts on the general population and vulnerable groups.

Ellerker Neighbourhood Development Plan 2024–2039

1.1.5 The Ellerker Neighbourhood Development Plan 2024-2039 Adopted Version (January 2026) (Ellerker Parish Council, 2026) policies set out in Table 1.3 are considered relevant to health and wellbeing.

Table 1.3 – Ellerker Neighbourhood Development Plan 2024-2039 Adopted Version (January 2026) policies relevant to health and wellbeing

Policy	Where this is covered in the application
Policy 4: Significant Views and Landscape Setting	The policy outlines that development proposals should show special regard to Important Local Views. **Application Document 6.6 Chapter 6 Landscape and Application Document 6.7 Chapter 7 Visual** assess visual and landscape effects of the Project. **Application Document 6.18 Chapter 18 Health and Wellbeing** draws upon these findings and considers the effects on community identity, culture, resilience and influence as a result of impacts to mental and physical health.
Policy 8: Locally Important Green Spaces	The policy designates and protects Local Green Spaces. **Application Document 6.17 Chapter 17 Socio-economics, Recreation and Tourism** assesses the effect on open space, due to severance, amenity, and land take impacts. **Application Document 6.18 Chapter 18 Health and Wellbeing** draws upon these findings and considers the effects on open space on mental and physical health.

Policy	Where this is covered in the application
Policy 10: Local Village Facilities	The policy designates and protects community facilities in the village. The potential effects on community facilities are assessed in **Application Document 6.17 Socio-economics, Recreation and Tourism** which considers access, land take, and amenity impacts on community facilities. **Application Document 6.18 Chapter 18 Health and Wellbeing** draws upon these findings and considers the effects on physical and mental health.
Policy 11: Active and Sustainable Travel	The policy protects existing walking and cycling routes and supports enhanced provision. **Application Document 6.17 Chapter 17 Socio-economics, Recreation and Tourism** assesses the effect on PRoW, access routes and recreational routes due to severance, amenity, and land take impacts. **Application Document 6.18 Chapter 18 Health and Wellbeing** draws upon these findings and considers the effects on open space on mental and physical health.

North Lincolnshire Local Development Framework Core Strategy Adopted June 2011

1.1.6 The North Lincolnshire Local Development Framework Core Strategy Adopted June 2011 (North Lincolnshire Council, 2011) policies set out in Table 1.4 are considered relevant to health and wellbeing.

Table 1.4 – North Lincolnshire Local Development Framework Core Strategy Adopted June 2011 policies relevant to health and wellbeing

Policy	Where this is covered in the application
Policy CS23: Sport, recreation and open space	The policy sets out the requirements of development proposals and the impacts on existing leisure, recreation facilities and open spaces. **Application Document 6.17 Chapter 17 Socio-economics, Recreation and Tourism** assesses the effect on open space, including sports and recreation space, due to severance, amenity, and land take impacts. **Application Document 6.18 Chapter 18 Health and Wellbeing** draws upon these findings and considers the effects of open space on mental and physical health and wellbeing.
Policy CS24: Health care provision	The policy sets out the requirements of development proposals and the impacts on healthcare facilities. The potential effects on

Policy	Where this is covered in the application
	healthcare facilities are assessed in **Application Document 6.18 Chapter 18 Health and Wellbeing**.

Saved Policies of the North Lincolnshire Local Plan 2003 Updated October 2024

1.1.7 The Saved Policies of the North Lincolnshire Local Plan 2003 Updated October 2024 (North Lincolnshire Council, 2024) set out in Table 1.5 are considered relevant to health and wellbeing.

Table 1.5 – Saved Policies of the North Lincolnshire Local Plan 2003 Updated October 2024 relevant to health and wellbeing

Policy	Where this is covered in the Application
Policy C2: Community Facilities in Minimum Growth Settlements and Rural Hamlets and Villages in the Open Countryside	The policy aims to retain or enhance existing community services and facilities. **Application Document 6.17 Chapter 17 Socio-economics, Recreation and Tourism** assesses the effect on community facilities, due to severance, amenity, and land take impacts. **Application Document 6.18 Chapter 18 Health and Wellbeing** draws upon these findings and considers the effects on open space on mental and physical health.

North Lincolnshire Health & Wellbeing Strategy 2025-2035

1.1.8 The North Lincolnshire Council Health & Wellbeing Strategy 2025-2035 (North Lincolnshire Council, 2025) sets out a vision of '*thriving people and place*', with the strategies relevant to health and wellbeing outlined in Table 1.6.

Table 1.6 – North Lincolnshire Health & Wellbeing Strategy 2025-2035 saved ambitions relevant to health and wellbeing

Strategies	Where this is covered in the application
Create healthy places to live, grow, and play.	As set out in **Application Document 6.18 Health and Wellbeing**, the assessment of health and wellbeing aims to mitigate any adverse impacts. All of the determinants assessed in the chapter contribute to this strategy, including open space, leisure, and play.
Improve the health and wellbeing of women and children.	As set out in **Application Document 6.18 Health and Wellbeing**, the assessment of health and wellbeing considers all populations, including women and children. As discussed, the assessment aims to mitigate any adverse

Strategies	Where this is covered in the application
	impacts on the general population and vulnerable groups.
Improve the experience of ageing.	As set out in **Application Document 6.18 Health and Wellbeing**, the assessment of health and wellbeing considers all populations, including older residents. As discussed, the assessment aims to mitigate any adverse impacts on older residents, and is considered a vulnerable group.

Bassetlaw Local Plan 2020-2038 29 May 2024

1.1.9 The Bassetlaw Local Plan 2020-2038 29 May 2024 (Bassetlaw District Council, 2024) policies set out in Table 1.7 are considered relevant to health and wellbeing.

Table 1.7 – Bassetlaw Local Plan 2020-2038 29 May 2024 policies relevant to health and wellbeing

Policy	Where this is covered in the application
Policy ST42: Promoting Healthy, Active Lifestyles	The policy supports healthy, active, inclusive and safe communities and lifestyles. This includes community facilities (including healthcare facilities), open space, PRoW, access routes and recreational routes, as assessed in **Application Document 6.17 Chapter 17 Socio-economics, Recreation and Tourism** in terms of access, land take, and amenity. **Application Document 6.18 Chapter 18 Health and Wellbeing** draws upon these findings and considers the effects on physical and mental health.
Policy ST43: Protection and Enhancement of Community Facilities	The policy sets out the requirements of development proposals and the impacts on community facilities. The potential effects on community facilities are assessed in **Application Document 6.17 Socio-economics, Recreation and Tourism** which considers access, land take, and amenity impacts on community facilities. **Application Document 6.18 Chapter 18 Health and Wellbeing** draws upon these findings and considers the effects on physical and mental health.
Policy ST44: Delivering Quality, Accessible Open Space	The policy sets out the requirements of development proposals and the impacts on open space. **Application Document 6.17 Chapter 17 Socio-economics, Recreation and Tourism** assesses the effect on open space, including sports and recreation space, due to severance, amenity, and land take impacts. **Application**

Policy	Where this is covered in the application
	Document 6.18 Chapter 18 Health and Wellbeing draws upon these findings and considers the effects on open space, including sports and recreational space, on mental and physical health.
Policy ST45: Promoting Sport and Recreation	The policy protects sport and recreational facilities to encourage healthier, active lifestyles. **Application Document 6.17 Chapter 17 Socio-economics, Recreation and Tourism** assesses the effect on open space, including sports and recreation space, due to severance, amenity, and land take impacts. **Application Document 6.18 Chapter 18 Health and Wellbeing** draws upon these findings and considers the effects on open space on mental and physical health.

Bassetlaw District Council Health and Wellbeing Strategy 2024-2027

1.1.10 Bassetlaw District Council Health and Wellbeing Strategy 2024-2027 (Bassetlaw District Council, 2024) aims to:

'improve the well-being of all in Bassetlaw, promoting healthier and happier lives, community prosperity, and lifelong independence'.

1.1.11 The Strategy states that as of 2024, 7/10 residents were *'generally happy and satisfied with life in Bassetlaw'*.

1.1.12 The Strategy recognises that health and wellbeing is not only determined by the ability to access healthcare but is predominantly a result of wider determinants of health. It therefore sets out priorities as part of a 'whole system' approach relevant to health and wellbeing, as outlined in Table 1.8.

Table 1.8 – Bassetlaw District Council Health and Wellbeing Strategy 2024-2027 priorities relevant to health and wellbeing

Priority	Where this is covered in the application
Ensuring the best start (0-16 years)	As set out in **Application Document 6.18 Health and Wellbeing**, the assessment of health and wellbeing considers all populations, including children and young people. As discussed, the assessment aims to mitigate any adverse impacts on the general population and vulnerable groups.
Improving healthy lifestyles	As set out in **Application Document 6.18 Health and Wellbeing**, the assessment of health and wellbeing considers physical and mental health.

Priority	Where this is covered in the application
	All of the determinants assessed in the chapter contribute to this priority.
Improving the places that people live	As set out in **Application Document 6.18 Health and Wellbeing**, the assessment of health and wellbeing aims to mitigate any adverse impacts. All of the determinants assessed in the chapter contribute to this priority.
Tackling physical inactivity	As set out in **Application Document 6.18 Health and Wellbeing**, the assessment of health and wellbeing considers physical health as well as mental health. As discussed, the assessment aims to mitigate any adverse physical health impacts, including effects on PRoW, access routes, and recreational routes and open space, leisure, and play.
Suicide Prevention and Mental Health	As set out in **Application Document 6.18 Health and Wellbeing**, the assessment of health and wellbeing considers mental health as well as physical health. As discussed, the assessment aims to mitigate any adverse mental health impacts.
Addressing the needs of the ageing population	As set out in **Application Document 6.18 Health and Wellbeing**, the assessment of health and wellbeing considers all populations, including older residents. As discussed, the assessment aims to mitigate any adverse impacts on older residents, and is considered a vulnerable group.

Headon, Upton, Grove and Stokeham Final Neighbourhood Plan 2018-2035 (March 2018).

1.1.13 The Headon, Upton, Grove and Stokeham Final Neighbourhood Plan, March 2018 (Bassetlaw District Council, 2018) policies set out in Table 1.9 are considered relevant to health and wellbeing.

Table 1.9 – Headon, Upton, Grove and Stokeham Final Neighbourhood Plan (March 2018) policies relevant to health and wellbeing

Policy	Where this is covered in the application
Policy 5: Existing Community Facilities	The policy sets out the requirements of development proposals and the impacts on community facilities. The potential effects on community facilities are assessed in **Application Document 6.17 Socio-economics, Recreation and Tourism** which considers access, land take, and amenity impacts on community facilities.

Policy	Where this is covered in the application
	Application Document 6.18 Chapter 18 Health and Wellbeing draws upon these findings and considers the effects on physical and mental health.
Policy 7: Local Green Space	The policy designates Local Green Spaces. **Application Document 6.17 Chapter 17 Socio-economics, Recreation and Tourism** assesses the effect on open space, including sports and recreation space, due to severance, amenity, and land take impacts. **Application Document 6.18 Chapter 18 Health and Wellbeing** draws upon these findings and considers the effects on open space on mental and physical health.
Policy 8: Enhancing our Public Rights of Way	The policy identifies and promotes the enhancement of existing PRoW subject to criteria. **Application Document 6.17 Chapter 17 Socio-economics, Recreation and Tourism** assesses the effect on PRoW, access routes and recreational routes due to severance, amenity, and land take impacts. **Application Document 6.18 Chapter 18 Health and Wellbeing** draws upon these findings and considers the effects on open space on mental and physical health.

Rampton and Woodbeck Neighbourhood Plan 2019-2037

1.1.14 The Rampton and Woodbeck Neighbourhood Plan 2019-2037 (Rampton & Woodbeck Parish Council, 2021) policies set out in Table 1.10 are considered relevant to health and wellbeing.

Table 1.10 – Rampton and Woodbeck Neighbourhood Plan 2019-2037 policies relevant to health and wellbeing

Policy	Where this is covered in the application
Policy 7: Local Green Space	The policy identifies and protects Local Green Space. **Application Document 6.17 Chapter 17 Socio-economics, Recreation and Tourism** assesses the effect on open space, due to severance, amenity, and land take impacts. **Application Document 6.18 Chapter 18 Health and Wellbeing** draws upon these findings and considers the effects on open space on mental and physical health.
Policy 9: The Protection of Local Amenities	The policy identifies and safeguards community facilities. The potential effects on community facilities are assessed in **Application Document 6.17 Socio-economics, Recreation and**

Policy	Where this is covered in the application
	Tourism which considers access, land take, and amenity impacts on community facilities. **Application Document 6.18 Chapter 18 Health and Wellbeing** draws upon these findings and considers the effects on physical and mental health.

Walkeringham Neighbourhood Plan 2019–2035

1.1.15 The Walkeringham Neighbourhood Plan 2019-2035 (Walkeringham Parish Council, 2021) policies set out in Table 1.11 are considered relevant to health and wellbeing.

Table 1.11 – Walkeringham Neighbourhood Plan 2019-2035 policies relevant to health and wellbeing

Policy	Where this is covered in the application
Neighbourhood Plan Policy 5: Designation of Local Green Spaces	The policy designates and protects Local Green Spaces. **Application Document 6.17 Chapter 17 Socio-economics, Recreation and Tourism** assesses the effect on open space, due to severance, amenity, and land take impacts. **Application Document 6.18 Chapter 18 Health and Wellbeing** draws upon these findings and considers the effects on open space on mental and physical health.
Neighbourhood Plan Policy 7: Enhancing the provision of community facilities	The policy sets out the requirements of development proposals and the impacts on community facilities. The potential effects on community facilities are assessed in **Application Document 6.17 Socio-economics, Recreation and Tourism** which considers access, land take, and amenity impacts on community facilities. **Application Document 6.18 Chapter 18 Health and Wellbeing** draws upon these findings and considers the effects on physical and mental health.

Nottinghamshire Joint Health and Wellbeing Strategy 2022-2026

1.1.16 The Nottinghamshire Joint Health and Wellbeing Strategy 2022-2026 (Nottinghamshire Health and Wellbeing Board, 2022) sets out the priorities for the Nottinghamshire Health and Wellbeing Board and how it plans to improve the health and wellbeing of residents and reduce inequalities. Table 1.12 sets out the ambitions relevant to health and wellbeing.

Table 1.12 – Nottinghamshire Joint Health and Wellbeing Strategy 2022-2026 ambitions relevant to health and wellbeing

Ambitions	Where this is covered in the application
Give every child the best chance of maximising their potential.	As set out in **Application Document 6.18 Health and Wellbeing**, the assessment of health and wellbeing considers all populations, including children. As discussed, the assessment aims to mitigate any adverse impacts on the general population and vulnerable groups. It sets out effects on education and training, including opportunities.
Create healthy and sustainable places.	As set out in **Application Document 6.18 Health and Wellbeing**, the assessment of health and wellbeing aims to mitigate any adverse impacts. All of the determinants assessed in the chapter contribute to this strategy, including open space, leisure, and play and PRoW, access routes, and recreational routes.
Everyone can access the right support to improve their health.	As set out in **Application Document 6.18 Health and Wellbeing**, the assessment of health and wellbeing aims to mitigate any adverse impacts, including on health and social care services and community identity, culture, resilience, and influence.
Keep our communities safe and healthy.	As set out in **Application Document 6.18 Health and Wellbeing**, the assessment of health and wellbeing aims to mitigate any adverse impacts. All of the determinants assessed in the chapter contribute to this strategy, including community identity, culture, resilience, and influence, open space, leisure, and play and PRoW, access routes, and recreational routes.
