Your Reference EN020035

Dear Sir/Madam,

**Section 46 Planning Act 2008
Duty to notify Secretary of State of a proposed application
Green GEN Cymru Vyrnwy Frankton grid connection project**

Green Generation Energy Networks Cymru Limited (Green GEN Cymru) (the "Applicant") is writing to provide formal notification under section 46(1) of the Planning Act 2008 (the "Act"), of its intention to start a targeted statutory consultation under section 42 of the Act for the Vyrnwy Frankton grid connection project (the "Project").

The Applicant proposes to develop a new 132 kilovolt (kV) electricity distribution connection from energy parks in the Powys uplands near Cefn Coch to the national electricity transmission network near Lower Frankton in Shropshire. The Project would connect new renewable energy generation in Powys to the national electricity grid.

Following the close of the previous statutory consultation, which took place between 19 February to 16 April 2025, the Applicant is carrying out a further targeted statutory consultation on proposed changes to parts of the Project.

The targeted statutory consultation period is due to start on Wednesday 4 February to 11:59pm Friday 6 March 2026.

In accordance with section 46(1) of the Act, the Applicant hereby supplies the Secretary of State with the materials that will be provided to the section 42 consultees, as follows:

- the letters sent to section 42 consultees;
- the section 48 notice.

All consultees have been provided with a link to the Project website where the targeted statutory consultation documents can be downloaded:

<https://greengenvyrnwyfrankton.com/en/documents/>

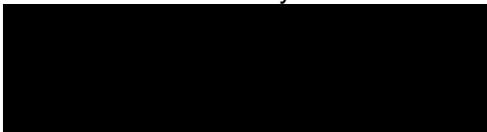

This is where the full suite of the targeted statutory consultation documents as well as the documents from the previous statutory consultation, can be downloaded. These include:

- Vyrnwy Frankton Connection – Environmental Implications of Change
- Vyrnwy Frankton Connection - Targeted Statutory Community Consultation Strategy
- Vyrnwy Frankton Connection – Targeted Statutory Consultation Leaflets
- Vyrnwy Frankton Connection – Statement of Community Consultation – Statutory Consultation 2025
- Vyrnwy Frankton Connection – Preliminary Environmental Information Report – Statutory Consultation 2025
- Vyrnwy Frankton Connection – Preliminary Environmental Information Report – Appendices – Statutory Consultation 2025
- Vyrnwy Frankton Connection – Preliminary Environmental Information Report – Figures – Statutory Consultation 2025
- Vyrnwy Frankton Connection – Preliminary Environmental Information Report – Non-Technical Summary – Statutory Consultation 2025
- Vyrnwy Frankton Connection – Location Plan
- Vyrnwy Frankton Connection – Consultation Plans
- Vyrnwy Frankton Connection – Typical Layouts Construction
- Vyrnwy Frankton Connection – Typical Tower and Foundation Drawings
- Vyrnwy Frankton Connection – Site Layouts Drawings
- Vyrnwy Frankton Connection – Grid Connection Strategy Phase 3 – Statutory Consultation 2025
- Vyrnwy Frankton Connection – Route Alignment Document – Statutory Consultation 2025
- Vyrnwy Frankton Connection – Guide to the Plans

Further details of the consultation arrangements are set out in the Targeted Statutory Community Consultation Strategy and the Statement of Community Consultation which can be found on the Project website. Preparation of the Targeted Statutory Consultation Strategy was informed by the views of host local authorities (Powys County Council and Shropshire Council).

If you have any queries or require any additional information, please do not hesitate to contact us at the address below. I would be grateful for acknowledgement that this notice has been received as a record of compliance.

Yours faithfully

Project Manager
Vyrnwy Frankton Project

Annwyl

Ymgynghoriad Statudol wedi'i Dargeddu ar gyfer prosiect cysylltiad grid Green GEN Cymru Vyrnwy Frankton: Dydd Mercher 4 Chwefror i 11:59pm Dydd Gwener 6 Mawrth 2026

Ymgynghoriad o dan Adrannau 42 o Ddeddf Cynllunio 2008 (y "Ddeddf")

Rheoliadau Cynllunio Seilwaith (Ceisiadau a Ffurflenni a Gweithdrefn Ragnodedig) 2009 (y "Rheoliadau APFP")

Hysbysiad o dan Reoliadau Cynllunio Seilwaith (Asesiad Effaith Amgylcheddol) 2017 (y "Rheoliadau AEA")

Rwy'n ysgrifennu atoch i roi gwybod i chi fod Green Generation Energy Networks Cymru Limited ("Green GEN Cymru") yn lansio ymgynghoriad statudol wedi'i dargeddu ar gyfer prosiect cysylltiad grid Vyrnwy Frankton (y "Prosiect"). Mae'r ymgynghoriad hwn, ynghyd â rowndiau ymgynghori blaenorol, yn ymwneud â chais arfaethedig i'r Ysgrifennydd Gwladol dros Ddiogeled Ynni a Sero Net ("yr Ysgrifennydd Gwladol") o dan Ddeddf 2008 am Orchymyn Caniatâd Datblygu ("DCO") ar gyfer y Prosiect.

Mae'r ymgynghoriad statudol wedi'i dargeddu hwn yn rhedeg o ddydd Mercher 4 Chwefror tan 11:59pm ddydd Gwener 6 Mawrth 2026.

Ar ôl diwedd ein hymgyngoriad statudol blaenorol, a gynhaliwyd rhwng 19 Chwefror a 16 Ebrill 2025, adolygodd tîm Green GEN Cymru yr adborth a gafwyd, ynghyd â chanfyddiadau asesiadau pellach ac ystyriodd ble roedd potensial i wneud newidiadau ychwanegol i'r Prosiect. Mae nifer o newidiadau lleol posibl ("Meysydd Newid") yn cael eu hystyried, ac rydym yn gofyn i randdeiliaid perthnasol a phobl sydd â buddiannau mewn tir gerllaw'r newidiadau hyn i roi eu hadborth. Ni wnaed unrhyw benderfyniadau terfynol ar y newidiadau arfaethedig.

Rydym yn cysylltu â chi oherwydd rydych yn ymgynghorai rhagnodedig o dan Adran 42(1) o'r Ddeddf ac yn unol ag Atodlen 1 o Reoliadau APFP, fel y'u diwygiwyd gan Reoliadau Cynllunio Seilwaith (Darpariaethau Amrywiol) 2024.

Yn unol ag adran 2.6 o'r Datganiad o Ymgynghoriad Cymunedol ("SoCC") a baratowyd ar gyfer yr ymgynghoriad statudol blaenorol, cynhelir yr ymgynghoriad statudol wedi'i dargeddu hwn mewn modd sy'n "gymesur â graddfa'r newid a bydd yn unol â'r egwyddorion a'r dulliau a nodir yn y SoCC hwn."

Mae'r cais arfaethedig ar gyfer y Prosiect hefyd wedi cael cyhoeddu'rwydd mewn papurau newydd lleol a chenedlaethol o dan adran 48 o'r Ddeddf.

Dylid darllen y SoCC ochr yn ochr â'r Strategaeth Ymgynghori Statudol Wedi'i Dargedu sy'n esbonio sut y bydd Green GEN Cymru yn ymgymryd â'r broses hon. Mae manylion ynghylch ble y gellir gweld y dogfennau ymgynghori pellach, ble y cynhelir digwyddiadau cyhoeddus a sut y gall pobl wneud sylwadau ar y newidiadau arfaethedig a darparu ymatebion i'r ymgynghoriad statudol wedi'i dargedu hwn ar gael yn <https://greengenvyrnwyfrankton.com/cy/dogfennau/>.

Y Prosiect

Mae Green GEN Cymru yn cynnig datblygu cysylltiad dosbarthu trydan 132 cilofolt (kV) newydd o barciau ynni yn ucheldiroedd Powys ger Cefn Coch i'r rhwydwaith trosglwyddo trydan cenedlaethol ger Lower Frankton yn Swydd Amwythig. Byddai'r Prosiect yn cysylltu cynhyrchiad ynni adnewyddadwy newydd ym Mhowys â'r rhwydwaith trydan cenedlaethol i'w gyflenwi i gartrefi a busnesau. Mae'r prosiect yn cynnwys:

- Is-orsaf gasglu 132kV newydd Cors y Garreg ger Cefn Coch, Powys, ynghyd â thua 2.5km o gebl tanddaearol o Is-orsaf Parc Ynni Llyn Lort i is-orsaf gasglu Cors y Garreg.
- Llinell uwchben cylched ddwbl 132kV tua 50km o hyd, wedi'i chynnal ar beilonau dellt dur o is-orsaf gasglu Cors y Garreg i orsaf newid newydd ger Lower Frankton.
- Gorsaf newid newydd ger Lower Frankton a fydd yn cysylltu'r llinell uwchben â system drosglwyddo trydan genedlaethol 400kV National Grid Transmission bresennol yn Swydd Amwythig, Lloegr.

Bydd angen tir ar gyfer gwella, digolledu a lliniaru amgylcheddol.

Yn ogystal â'r seilwaith parhaol, byddai angen tir dros dro hefyd ar gyfer gweithgareddau adeiladu gan gynnwys, er enghraifft, manau gwaith ar gyfer offer a pheiriannau adeiladu, swyddfeydd ar y safle, lles, storio a mynediad adeiladu.

Mae'r Prosiect yn Brosiect Seilwaith o Arwyddocâd Cenedlaethol (NSIP) o dan y Ddeddf. Felly, mae'n ofynnol i Green GEN Cymru gyflwyno cais am ganiatâd datblygu i'r Ysgrifennydd Gwladol. Bydd y caniatâd datblygu a geisir yn cynnwys nifer o ddarpariaethau eraill, gan gynnwys y rhai sy'n awdurdodi caffael tir a hawliau dros dir yn orfodol, os oes angen, i adeiladu a chynnal y Prosiect.

Bydd yr ymgynghoriad statudol wedi'i dargedu hwn yn canolbwyntio ar newidiadau penodol a gynigiwyd yn dilyn yr adborth a gafwyd o'r ymgynghoriad statudol blaenorol a grybwyllwyd uchod.

Mae'r newidiadau arfaethedig wedi'u grwpio yn Ardaloedd Newid sydd wedi'u rhestru isod a gellir eu gweld hefyd yn ei daflen unigol ei hun ar ein gwefan:

- **Ardal Newid 1: Newid lleoliad yr is-orsaf gasglu i'r gogledd-orllewin o Gors y Garreg**
- **Ardal Newid 2: I'r gogledd-ddwyrain o Gefn Coch** newidiadau i dyrau 6 i 17, 22 i 28 a 30 i 39
- **Ardal Newid 3: I'r de-ddwyrain o Allt y Main** newidiadau i dyrau 65 i 69 a 76 i 80
- **Ardal Newid 4: I'r de o Lansantffraid-ym-Mechain** newidiadau i dyrau 87 i 94, tyrau 92 i 98 a thyrau 103 i 109
- **Ardal Newid 5: I'r de o Lanymynech** newidiadau i dyrau 116 i 122 a thyrau 122 i 130
- **Ardal Newid 6: Rhwng Pant a Crickheath** yn newid i dyrau 134 i 138 a thŵr 141
- **Ardal Newid 7: Gorsaf Newid Lower Frankton** a newidiadau i dyrau 168 i 172

Gwybodaeth am effeithiau amgylcheddol

Mae'r Prosiect yn ddatblygiad Asesiad Effaith Amgylcheddol ("AEA"), fel y'i diffinnir gan y Rheoliadau AEA ac mae ar y cam cyn gwneud cais o'r broses o wneud cais am DCO.

Fel rhan o'r broses honno, yn ystod yr ymgynghoriad statudol a gynhaliwyd rhwng 19 Chwefror a 16 Ebrill 2025, gwnaethom geisio barn ar effeithiau amgylcheddol posibl y Prosiect ac a oedd gan ymgynghoreion awgrymiadau ar gyfer lleihau'r effeithiau hyn. Nodwyd y wybodaeth hon yn Adroddiad Gwybodaeth Amgylcheddol Rhagarweiniol 2025 ("y PEIR").

I gael gwybodaeth am oblygiadau amgylcheddol y newidiadau arfaethedig, cyfeiriwch at y dogfennau Goblygiadau Amgylcheddol Newid ("EIC"), lle cyflwynir gwybodaeth gymesur a phriodol am y goblygiadau amgylcheddol. Dylid darllen yr EIC ochr yn ochr â'r PEIR.

Bydd Datganiad Amgylcheddol yn cael ei baratoi wedi hynny yn unol â Rheoliadau'r AEA a bydd yn cyd-fynd â'r cais am ganiatâd datblygu.

Mae'r EIC, ynghyd â'r holl ddogfennau perthnasol o'r ymgynghoriad statudol blaenorol, ar gael i'w gweld ar wefan ein Prosiect <https://greengenvyrnwyfrankton.com/cy/dogfennau/>:

Ymateb i'r ymgynghoriad

Mae'r ymgynghoriad ar agor rhwng 4 Chwefror a 6 Mawrth 2026.

Gellir cyflwyno ymatebion i'r ymgynghoriad hwn:

- Yn ysgrifenedig i info@greengenvyrnwyfrankton.com neu FREEPOST Green GEN Cymru V2F (does dim angen stamp na chyfeiriad eto)

Rhaid cael pob ymateb i'r ymgynghoriad erbyn 11:59 ar 6 Mawrth 2026.

Bydd yr holl ddogfennau, cynlluniau a mapiau sy'n dangos natur a lleoliad y Prosiect ar gael i'w lawrlwytho am ddim o ddydd Mercher 4 Chwefror tan 11:59pm ddydd Gwener 6 Mawrth 2026 ar www.greengenvyrnwyfrankton.com.

Bydd copïau caled cyfeirio o'r dogfennau hyn hefyd ar gael mewn digwyddiadau galw heibio cymunedol a gynhelir yn y lleoliadau isod.

Lleoliad a Chyfeiriad	Dyddiad	Amser
Neuadd Gyhoeddus a Sefydliad Llanfair Caereinion	Dydd Gwener 13 Chwefror	10:00 - 13:00
Neuadd Gymunedol Llansantffraid	Dydd Gwener 13 Chwefror	15:00 - 18:00
Neuadd Bentref Welsh Frankton	Dydd Sadwrn 14 Chwefror	9:00 - 12:00

Bydd ceisiadau am gopïau papur o'r dogfennau, cynlluniau a mapiau yn cael eu hadolygu fesul achos. I dalu costau argraffu, gellir codi tâl copïo rhesymol, i'w dalu gan y derbynnydd hyd at uchafswm o £500 am y gyfres gyfan o ddogfennau ymgynghori. Gellir gofyn am y rhain drwy gysylltu â thîm y Prosiect drwy'r manylion isod.

Ffôn: 0800 915 3590

E-bost: info@greengenvyrnwyfrankton.com

Bydd copïau caled o daflenni'r ymgynghori statudol wedi'i dargedu a'r Strategaeth Gymunedol hefyd ar gael am ddim am hyd yr ymgynghoriad yn y llyfrgelloedd canlynol yng nghyffiniau'r Prosiect:

Lleoliad	Cyfeiriad	Oriau Agor
Llyfrgell Llanfair Caereinion	Sefydliad Llanfair Caereinion Powys SY21 0RY	Dydd Llun Ar gau Dydd Mawrth 10am-1pm Dydd Mercher Ar gau Dydd Iau 3-6 pm Dydd Gwener 2-5 pm Dydd Sadwrn 10am-1pm Dydd Sul Ar gau
Llyfrgell Croesoswallt	Arthur Street Croesoswallt Swydd Amwythig SY11 1JN	Dydd Llun 9:30 am-5 pm Dydd Mawrth 9:30 am-5 pm Dydd Mercher 9:30 am-6 pm Dydd Iau 9:30 am-5 pm Dydd Gwener 9:30 am-5 pm Dydd Sadwrn 9:30 am-4 pm Dydd Sul Ar gau
Llyfrgell Gobowen	St Martin's Road Gobowen Croesoswallt Swydd Amwythig SY11 3NP	Dydd Llun Ar gau Dydd Mawrth 10 am-1 pm, 2-5 pm Dydd Mercher Ar gau Dydd Iau 10 am-1 pm, 2-5 pm Dydd Gwener Ar gau Dydd Sadwrn 10am-1pm Dydd Sul Ar gau

Cyn mynd i'r lleoliadau hyn, dylid cadarnhau'r oriau agor.

Byddwn yn adolygu'r Prosiect yng ngoleuni'r adborth a gawn fel rhan o'r ymgynghoriad statudol wedi'i dargedu hwn, a byddwn yn ystyried a oes angen newidiadau i leihau ymhellach yr effeithiau ar gymunedau a'r ardal leol, cyn i ni wneud ein cais am ganiatâd datblygu.

Efallai y bydd gofyn i Green GEN Cymru sicrhau bod copïau o sylwadau ar gael i'r Ysgrifennydd Gwladol. Fodd bynnag, bydd Green GEN Cymru yn gofyn nad yw manylion personol yn cael eu rhoi ar y cofnod cyhoeddus. Bydd manylion personol yn cael eu cadw'n ddiogel yn unol â Deddf Diogelu

Dear

Targeted Statutory Consultation for the Green GEN Cymru Vyrnwy Frankton grid connection project: Wednesday 4 February to 11:59pm Friday 6 March 2026

Consultation under Sections 42 of the Planning Act 2008 (the “Act”)

The Infrastructure Planning (Applications and Prescribed Forms and Procedure) Regulations 2009 (the “APFP Regulations”)

Notification under the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 (the “EIA Regulations”)

We are writing to inform you that Green Generation Energy Networks Cymru Limited (Green GEN Cymru) is carrying out a targeted statutory consultation on the Vyrnwy Frankton grid connection project (“the Project”). This consultation, combined with previous rounds of consultation, relates to a proposed application to the Secretary of State for Energy Security and Net Zero (“the Secretary of State”) under the Act 2008 for a Development Consent Order (“DCO”) for the Project.

This targeted statutory consultation runs from Wednesday 4 February to 11:59pm Friday 6 March 2026.

Following the close of our previous statutory consultation, which took place between 19 February to 16 April 2025, the Green GEN Cymru team reviewed the feedback received, along with the findings of further assessments and considered where there was potential to make additional changes to the Project. A number of potential localised changes (“Areas of Change”) are being considered, and we are asking relevant stakeholders and people with interests in land in close proximity of these changes to provide their feedback. No final decisions have been made on the proposed changes.

We are contacting you because you are a prescribed consultee under Section 42(1) of the Act and in accordance with Schedule 1 of the APFP Regulations, as amended by the Infrastructure Planning (Miscellaneous Provisions) Regulations 2024.

In accordance with section 2.6 of the Statement of Community Consultation (“SoCC”) that was prepared for the previous statutory consultation, this targeted statutory consultation will be undertaken in a manner that is “proportionate to the scale of the change and will be in accordance with the principles and methods set out in this SoCC.”

The proposed application for the Project has also been publicised in local and national newspapers under section 48 of the Act.

The SoCC should be read alongside the Targeted Statutory Consultation Strategy which explains how Green GEN Cymru will undertake this process. Details of where the further consultation documents can be viewed, where public events will be held and how people can comment on the proposed changes and provide responses to this targeted statutory consultation are available at <https://greengenvyrnwyfrankton.com/en/documents/>.

The Project

Green GEN Cymru proposes to develop a new 132 kilovolt (kV) electricity distribution connection from energy parks in the Powys uplands near Cefn Coch to the national electricity transmission network near Lower Frankton in Shropshire. The Project would connect new renewable energy generation in Powys to the national electricity network for supply to homes and business. The Project comprises:

- A new 132kV Cors y Garreg collector substation near Cefn Coch, Powys, together with approximately 2.5km of underground cable from the Llyn Lort Energy Park Substation to the Cors y Garreg collector substation.
- Approximately 50km double circuit 132kV overhead line, supported on steel lattice pylons from the Cors y Garreg collector substation to a new switching station near Lower Frankton.
- A new switching station near Lower Frankton which will connect the overhead line to the existing National Grid Transmission 400kV national electricity transmission system in Shropshire, England.

Land will be required for environmental mitigation, compensation, and enhancement. As well as the permanent infrastructure, land would also be required temporarily for construction activities including, for example, working areas for construction equipment and machinery, site offices, welfare, storage and construction access.

The Project is a Nationally Significant Infrastructure Project (NSIP) under the Act. Green GEN Cymru is therefore required to submit an application for development consent to the Secretary of State. The development consent being sought will include a number of other provisions, including those which authorise the compulsory acquisition of land and rights over land, if necessary, to construct and maintain the Project.

This targeted statutory consultation will focus on specific changes proposed following the feedback received from the previous statutory consultation mentioned above.

The proposed changes have been grouped into Areas of Change which are listed below and can also be viewed in its own individual leaflet on our website:

- **Area of Change 1: Change of location for the collector substation to the northwest of Cors y Garreg**
- **Area of Change 2: Northeast of Cefn Coch** changes to towers 6 to 17, 22 to 28 and 30 to 39
- **Area of Change 3: Southeast of Allt y Main** changes to towers 65 to 69 and 76 to 80
- **Area of Change 4: South of Llansantffraid-ym-Mechain** changes to towers 87 to 94, towers 92 to 98 and towers 103 to 109
- **Area of Change 5: South of Llanymynech** changes to towers 116 to 122 and towers 122 to 130

Green GEN Cymru
Hodge House
Guildhall Place
Cardiff CF10 1DY

0800 915 3590
info@greengenvyrnwyfrankton.com
greengenvyrnwyfrankton.com

- **Area of Change 6: Between Pant and Crickheath** changes to towers 134 to 138 and tower 141
- **Area of Change 7: Lower Frankton Switching Station** and changes to towers 168 to 172

Information on environmental effects

The Project is an Environmental Impact Assessment (“EIA”) development, as defined by the EIA Regulations and is currently in the pre-application stage of the DCO application process.

As part of that process, during the statutory consultation which took place from 19 February to 16 April 2025, we sought views on the potential environmental effects of the Project and if consultees had suggestions for reducing these effects. This information was detailed in the 2025 Preliminary Environmental Information Report (“the PEIR”).

For information on the environmental implications of the proposed changes please refer to the Environmental Implications of Change (“EIC”) documents, where proportionate and appropriate information on the environmental implications is presented. The EIC should be read alongside the PEIR.

An Environmental Statement will subsequently be prepared in accordance with the EIA Regulations and will accompany the application for development consent.

The EIC, along with all relevant documents from the previous statutory consultation, are available to view on our Project website <https://greengenvyrnwyfrankton.com/en/documents/>:

Responding to the consultation

The consultation is open from 4 February to 6 March 2026.

Responses to this consultation can be submitted:

- In writing to info@greengenvyrnwyfrankton.com or FREEPOST Green GEN Cymru V2F (no further stamp or address needed)

All responses to the consultation must be received by 11:59 on 6 March 2026.

All documents, plans and maps showing the nature and location of the Project, will be available to download free of charge from Wednesday 4 February to 11:59pm Friday 6 March 2026 on www.greengenvyrnwyfrankton.com.

Reference hard copies of these documents will also be available at community drop-in events taking place at the locations below.

Location and Address	Date	Time
----------------------	------	------

Llanfair Caereinion Public Hall and Institute	Friday 13 February	10:00 - 13:00
Llansantffraid Community Hall	Friday 13 February	15:00 - 18:00
Welsh Frankton Village Hall	Saturday 14 February	9:00 - 12:00

Requests for paper copies of the documents, plans and maps will be reviewed on a case-by-case basis. To cover printing costs, a reasonable copying charge may apply, to be paid for by the recipient up-to a maximum value of £500 for the whole suite of consultation documents. These can be requested by contacting the Project team via the details below.

Telephone: 0800 915 3590

Email: info@greengenvyrnwyfrankton.com

Hard copies of the targeted statutory consultation leaflets and Community Strategy will also be available to view free of charge for the duration of the consultation at the following libraries in the vicinity of the Project:

Location	Address	Opening Hours	
Llanfair Caereinion Library	The Institute Llanfair Caereinion Powys SY21 0RY	Monday	Closed

greengenvyrnwyfrankton.com

We will review the Project in light of the feedback we receive as part of this targeted statutory consultation and will consider if changes are needed to further reduce the effects on communities and the local area, before we make our application for development consent.

Green GEN Cymru may be required to make copies of representations available to the Secretary of State. However, Green GEN Cymru will request that personal details are not placed on the public record. Personal details will be held securely in accordance with the Data Protection Act 2018 and will be used solely in connection with the consultation process and the development of this Project and, except as noted above, will not be disclosed to any third parties.

If you have any questions, please get in touch with the project contact details above.

Yours faithfully

Mike Waddle

Project Manager
Vyrnwy Frankton Project

**GREEN GENERATION ENERGY NETWORKS CYMRU LIMITED
Adran 48 Deddf Cynllunio 2008**

**Cysylltiad Vyrnwy Frankton
Rheoliad 4 o Reoliadau Cynllunio Seilwaith (Ceisiadau: Ffurflenni a Gweithdrefn
Ragnodedig) 2009**

**HYSBYSIAD YN CYHOEDDI CAIS ARFAETHEDIG AM ORCHYMYN CANIATÂD
DATBLYGU ("DCO")**

Hysbysir drwy hyn fod GREEN GENERATION ENERGY NETWORKS CYMRU LIMITED (Green GEN Cymru) o Hodge House, Guildhall Place, Caerdydd, y Deyrnas Unedig, CF10 1DY yn bwriadu gwneud cais i'r Ysgrifennydd Gwladol dros Ddiogeledd Ynni a Sero Net am Orchymyn Caniatâd Datblygu (DCO) o dan Adran 37 o Ddeddf Cynllunio 2008 (y "Ddeddf") i awdurdodi adeiladu Cysylltiad Vyrnwy Frankton (y "Prosiect").

Mae Green GEN Cymru yn bwriadu datblygu cysylltiad dosbarthu trydan 132 cilofolt (kV) newydd o barciau ynni yn ucheldiroedd Powys ger Cefn Coch i'r rhwydwaith trawsyrru trydan cenedlaethol ger Lower Frankton yn Swydd Amwythig. Byddai'r Prosiect yn cysylltu man cynhyrchu ynni adnewyddadwy newydd ym Mhowys â'r grid trydan cenedlaethol.

Cynhaliwyd ymgynghoriad statudol ar y Prosiect yn flaenorol rhwng 19 Chwefror a 16 Ebrill 2025. Ers hynny mae tîm Green GEN Cymru wedi adolygu'r adborth a gafwyd, ynghyd â chanfyddiadau asesuadau pellach ac wedi ystyried ble y gellid gwneud newidiadau i'r Prosiect i liniaru ei effeithiau. Mae nifer o newidiadau lleol ("Ardaloedd Newid") yn cael eu hystyried, ac rydym yn gofyn i randdeiliaid perthnasol, cymunedau a phobl sydd â buddiannau mewn tir yr effeithir arno gan yr Ardaloedd Newid hynny i roi eu hadborth.

Mae'r Prosiect yn cynnwys:

- Is-orsaf gasglu 132 kV newydd Cors y Garreg ger Cefn Coch, Powys, ynghyd â thua 2.5km o gebl tanddaearol o Is-orsaf Parc Ynni Llyn Lort i is-orsaf gasglu Cors y Garreg.
- Llinell uwchben cylched ddwbl 132kV oddeutu 50km, wedi'i chynnal ar beilonau dellt dur o is-orsaf gasglu Cors y Garreg i orsaf newid newydd ger Lower Frankton.
- Gorsaf newid newydd ger Lower Frankton a fydd yn cysylltu'r llinell uwchben â system drawsyrro trydan genedlaethol 400 kV presennol National Grid Transmission 400 kV yn Swydd Amwythig, Lloegr.

Bydd angen tir ar gyfer lliniaru, digolledu a gwella amgylcheddol. Yn ogystal â'r seilwaith parhaol, byddai angen tir dros dro ar gyfer gweithgareddau adeiladu gan gynnwys, er enghraifft, ardaloedd gwaith ar gyfer offer a pheiriannau, swyddfeydd safle, lles, storio a mynediad adeiladu.

Mae'r Prosiect yn Brosiect Seilwaith Arwyddocaol Cenedlaethol (NSIP) o dan y Ddeddf. Felly, mae'n ofynnol i Green GEN Cymru gyflwyno cais am ganiatâd datblygu i'r Ysgrifennydd Gwladol. Bydd y caniatâd datblygu sy'n ceisio caniatâd i adeiladu, gweithredu a chynnal y Prosiect, yn ogystal â phwerau ar gyfer caffael tir a buddiannau mewn tir a hawliau drosto yn orfodol, hawddfreintiau gor-redol a hawliau eraill, defnydd dros dro o dir, a phwerau ategol eraill.

Bydd yr ymgynghoriad statudol wedi'i dargedu hwn yn canolbwyntio ar newidiadau penodol a gynigir yn dilyn yr adborth a gafwyd o'r ymgynghoriad statudol blaenorol.

Mae'r newidiadau arfaethedig wedi'u grwpio yn Ardaloedd Newid sydd wedi'u rhestru isod. Gellir gweld pob Ardal Newid ar ei daflen unigol ar ein gwefan:

- **Ardal Newid 1:** Newid lleoliad yr is-orsaf gasglu i'r gogledd-orllewin o Gors y Garreg
- **Ardal Newid 2:** I'r gogledd-ddwyrain o Gefn Coch newidiadau i dyrau 6 i 17, 22 i 28 a 30 i 39
- **Ardal Newid 3:** De-ddwyrain Allt y Main Newidiadau i dyrau 65 i 69 a 76 i 80
- **Ardal Newid 4:** I'r de o Lansantffraid-ym-Mechain newidiadau i dyrau 87 i 94, tyrau 92 i 98 a thyrau 103 i 109
- **Ardal Newid 5:** I'r de o Lanymynech, newidiadau i dyrau 116 i 122 a thyrau 122 i 130
- **Ardal Newid 6:** Rhwng Pant a Chruckheath, newidiadau i dyrau 134 i 138 a thŵr 141
- **Ardal Newid 7:** Gorsaf Newid Lower Frankton a newidiadau i dyrau 168 i 172

Mae'r Prosiect yn ddatblygiad Asesiad Effaith Amgylcheddol ("AEA"), fel y'i diffinnir gan Reoliadau Cynllunio Seilwaith (Asesu Effaith Amgylcheddol) 2017 ac mae ar hyn o bryd yn y cam cyn ymgeisio'r broses ymgeisio DCO.

Fel rhan o'r broses honno, yn ystod yr ymgynghoriad statudol a gynhaliwyd rhwng 19 Chwefror a 16 Ebrill 2025, gofynnodd Green GEN Cymru am farn ar effeithiau amgylcheddol posibl y Prosiect ac a oedd gan yr ymgynghoreion awgrymiadau ar gyfer lleihau'r effeithiau hyn. Manylwyd ar y wybodaeth hon yn Adroddiad Gwybodaeth Amgylcheddol Rhagarweiniol 2025 ("y PEIR"). Bydd Datganiad Amgylcheddol yn cael ei gyflwyno fel rhan o'r Cais a fydd yn darparu disgrifiad manwl o'r Prosiect a'i effeithiau amgylcheddol arwyddocaol tebygol.

I gael gwybodaeth am oblygiadau amgylcheddol y newidiadau arfaethedig, cyfeiriwch at ddogfennau Goblygiadau Amgylcheddol Newid ("EIC"), lle cyflwynir gwybodaeth gymesur a phriodol am y goblygiadau amgylcheddol. Dylid darllen yr EIC ochr yn ochr â'r PEIR.

Bydd yr holl ddogfennau, cynlluniau a mapiau sy'n dangos natur a lleoliad y Prosiect, ynghyd â'r holl ddogfennau perthnasol o'r ymgynghoriad statudol blaenorol, ar gael i'w lawrlwytho am ddim o **4 Chwefror tan 6 Mawrth 2026** yn yr adran ddogfennau ar wefan y Prosiect:

www.greengenvyrnwyfrankton.com.

Bydd copïau caled i gyfeirio atynt o'r dogfennau hefyd ar gael mewn digwyddiadau galw heibio cymunedol a gynhelir yn y lleoliadau isod.

Lleoliad a Chyfeiriad	Dyddiad	Amser
Neuadd Gyhoeddus a Sefydliad Llanfair Caereinion, Stryd y Bont, Llanfair Caereinion, Y Trallwng, SY21 0RY	13 Chwefror	10:00 – 13:00
Neuadd Gymunedol Llansantffraid Treflan, Llansantffraid-Ym-Mechain, SY22 6AE	13 Chwefror	15:00 – 18:00
Neuadd Bentref Welsh Frankton Croesoswallt, Swydd Amwythig, SY11 4NX	14 Chwefror	9:00 – 12:00

Bydd ceisiadau am gopïau papur o'r dogfennau, cynlluniau a mapiau yn cael eu hadolygu fesul achos. Er mwyn talu am gostau argraffu, efallai y bydd tâl copïo rhesymol yn berthnasol, i'w dalu gan y derbynnydd hyd at uchafswm gwerth o £500 ar gyfer y gyfres gyfan o ddogfennau ymgynghori. Gellir gofyn am y rhain trwy gysylltu â thîm y Prosiect gan ddefnyddio'r manylion ar waelod yr hysbysiad hwn.

Bydd copïau caled o'r tafenni ymgynghori statudol targedig a'r Strategaeth Gymunedol hefyd ar gael i'w gweld am ddim am hyd yr ymgynghoriad yn y llyfrgelloedd canlynol yng nghyffiniau'r Prosiect:

Lleoliad	Cyfeiriad	Oriau agor	
Llyfrgell Llanfair Caereinion	Yr Institiwt Llanfair Caereinion Caereinion Powys SY21 0RY	Dydd Llun	Ar gau
		Dydd Mawrth	10 am-1 pm
		Dydd Mercher	Ar gau

		Dydd Iau	10 am-1 pm, 2-5 pm
		Dydd Gwener	Ar gau
		Dydd Sadwrn	10 am-1 pm
		Dydd Sul	Ar gau

Cynghorir eich bod yn cadarnhau'r oriau agor cyn mynd i'r lleoliadau hyn.

Sut i ymateb i'r ymgynghoriad

Bydd yr ymgynghoriad ar agor rhwng 4 Chwefror a 6 Mawrth 2026.

Gellir cyflwyno ymatebion i'r ymgynghoriad hwn:

- Yn ysgrifenedig at info@greengenvyrnwylfrankton.com neu FREEPOST Green GEN Cymru V2F (nid oes angen stamp na chyfeiriad pellach)

Rhaid derbyn pob ymateb i'r ymgynghoriad erbyn 11:59 ar 6 Mawrth 2026.

Wrth benderfynu ar ffurf derfynol y cais arfaethedig am DCO ar gyfer y Prosiect, bydd Green GEN Cymru yn ystyried unrhyw ymateb i'r cyhoedduswydd hwn neu'r ymgynghoriad a geir cyn y dyddiad cau penodedig. Cyflwynir Adroddiad Ymgynghori fel rhan o'r cais a fydd yn darparu manylion yr ymgynghoriad cyn gwneud cais a gynhaliwyd gan Green GEN Cymru,

yn crynhoi unrhyw ymatebion perthnasol a gafwyd, ac yn egluro'r ystyriaeth a gymerwyd gan Green GEN Cymru o'r ymatebion perthnasol hynny.

Efallai y bydd yn ofynnol i Green GEN Cymru wneud copïau o'r sylwadau ar gael i'r Ysgrifennydd Gwladol. Fodd bynnag, bydd Green GEN Cymru yn gofyn nad yw manylion personol yn cael eu rhoi ar y cofnod cyhoeddus. Bydd manylion personol yn cael eu cadw'n ddiogel yn unol â Deddf Diogelu Data 2018 a byddant yn cael eu defnyddio mewn cysylltiad â'r broses ymgynghori a datblygu'r Prosiect hwn yn unig ac, ac eithrio fel y nodwyd uchod, ni fyddant yn cael eu datgelu i unrhyw drydydd partïon.

Os oes gennych unrhyw gwestiynau am y Prosiect neu'r ymgynghoriad, cysylltwch â ni:

**GREEN GENERATION ENERGY NETWORKS CYMRU LIMITED
Section 48 Planning Act 2008**

**Vyrnwy Frankton Connection
Regulation 4 of the Infrastructure Planning (Applications: Prescribed Forms and
Procedures) Regulations 2009**

**NOTICE PUBLICISING A PROPOSED APPLICATION FOR A DEVELOPMENT CONSENT
ORDER (“DCO”)**

Notice is hereby given that GREEN GENERATION ENERGY NETWORKS CYMRU LIMITED (Green GEN Cymru) of Hodge House, Guildhall Place, Cardiff, United Kingdom, CF10 1DY intends to apply to the Secretary of State for Energy Security and Net Zero for a Development Consent Order (DCO) under Section 37 of the Planning Act 2008 (the “Act”) to authorise the construction of the Vyrnwy Frankton Connection (the “Project”).

Green GEN Cymru proposes to develop a new 132 kilovolt (kV) electricity distribution connection from energy parks in the Powys uplands near Cefn Coch to the national electricity transmission network near Lower Frankton in Shropshire. The Project would connect new renewable energy generation in Powys to the national electricity grid.

Statutory consultation on the Project previously took place between 19 February and 16 April 2025. The Green GEN Cymru team has since reviewed the feedback received, along with the findings of further assessments and considered where changes to the Project could be made to mitigate its impacts. A number of localised changes (“Areas of Change”) are being considered, and we are asking relevant stakeholders, communities and people with interests in land affected by those Areas of Change to provide their feedback.

The Project comprises:

- A new 132 kV Cors y Garreg collector substation near Cefn Coch, Powys, together with approximately 2.5km of underground cable from the Llyn Lort Energy Park Substation to the Cors y Garreg collector substation.
- Approximately 50km double circuit 132kV overhead line, supported on steel lattice pylons from the Cors y Garreg collector substation to a new switching station near Lower Frankton.
- A new switching station near Lower Frankton which will connect the overhead line to the existing National Grid Transmission 400 kV national electricity transmission system in Shropshire, England.

Land will be required for environmental mitigation, compensation, and enhancement. As well as the permanent infrastructure, land would also be required temporarily for construction activities including, for example, working areas for construction equipment and machinery, site offices, welfare, storage and construction access.

The Project is a Nationally Significant Infrastructure Project (NSIP) under the Act. Green GEN Cymru is therefore required to submit an application for development consent to the Secretary of State. The development consent application will seek consent to construct, operate and maintain the Project, as well as powers for the compulsory acquisition of land

and interests in and rights over land, over-riding easements and other rights, the temporary use of land, and other ancillary powers. This targeted statutory consultation will focus on specific changes proposed following the feedback received from the previous statutory consultation.

The proposed changes have been grouped into Areas of Change which are listed below. Each Area of Change can be viewed in its own individual leaflet on our website:

- **Area of Change 1:** Change of location for the collector substation to the northwest of Cors y Garreg
- **Area of Change 2:** Northeast of Cefn Coch changes to towers 6 to 17, 22 to 28 and 30 to 39
- **Area of Change 3:** Southeast of Allt y Main changes to towers 65 to 69 and 76 to 80
- **Area of Change 4:** South of Llansantffraid-ym-Mechain changes to towers 87 to 94, towers 92 to 98 and towers 103 to 109
- **Area of Change 5:** South of Llanymynech changes to towers 116 to 122 and towers 122 to 130
- **Area of Change 6:** Between Pant and Crickheath changes to towers 134 to 138 and tower 141
- **Area of Change 7:** Lower Frankton Switching Station and changes to towers 168 to 172

The Project is an Environmental Impact Assessment (“EIA”) development, as defined by the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 and is currently in the pre-application stage of the DCO application process.

As part of that process, during the statutory consultation which took place from 19 February to 16 April 2025, Green GEN Cymru sought views on the potential environmental effects of the Project and if consultees had suggestions for reducing these effects. This information was detailed in the 2025 Preliminary Environmental Information Report (“the PEIR”). An Environmental Statement will be submitted as part of the Application which will provide a detailed description of the Project and its likely significant environmental effects.

For information on the environmental implications of the proposed changes please refer to the Environmental Implications of Change (“EIC”) documents, where proportionate and appropriate information on the environmental implications is presented. The EIC should be read alongside the PEIR.

All documents, plans and maps showing the nature and location of the Project, along with all relevant documents from the previous statutory consultation, will be available to download free of charge from **4 February until 6 March 2026** in the documents section on the Project website: www.greengenvyrnwyfrankton.com.

Reference hard copies of the documents will also be available at community drop-in events taking place at the locations below.

Location and Address	Date	Time
Llanfair Caereinion Public Hall and Institute Bridge Street, Llanfair Caereinion, Welshpool, SY21 0RY	13 February	10:00 – 13:00
Llansantffraid Community Hall Treflan, Llansantffraid-Ym-Mechain, SY22 6AE	13 February	15:00 – 18:00
Welsh Frankton Village Hall Oswestry, Shropshire, SY11 4NX	14 February	9:00 – 12:00

Requests for paper copies of the documents, plans and maps will be reviewed on a case by-case basis. To cover printing costs a reasonable copying charge may apply, to be paid for by the recipient up-to a maximum value of £500 for the whole suite of consultation documents. These can be requested by contacting the Project team via the details at the bottom of this notice.

Hard copies of the targeted statutory consultation leaflets and Community Strategy will also be available to view free of charge for the duration of the consultation at the following libraries in the vicinity of the Project:

Location	Address	Opening Hours	
Llanfair Caereinion Library	The Institute Llanfair Caereinion Powys SY21 0RY	Monday	Closed
		Tuesday	10 am-1 pm
		Wednesday	Closed
		Thursday	3-6 pm
		Friday	2-5 pm
		Saturday	10 am-1 pm
		Sunday	Closed
Oswestry Library	Arthur Street Oswestry Shropshire SY11 1JN	Monday	9:30 am-5 pm
		Tuesday	9:30 am-5 pm
		Wednesday	9:30 am-6 pm
		Thursday	9:30 am-5 pm
		Friday	9:30 am-5 pm
		Saturday	9:30 am-4 pm
		Sunday	Closed
Gobowen Library	St Martin's Road Gobowen Oswestry Shropshire SY11 3NP	Monday	Closed
		Tuesday	10 am-1 pm, 2-5 pm
		Wednesday	Closed
		Thursday	10 am-1 pm, 2-5 pm
		Friday	Closed
		Saturday	10 am-1 pm
		Sunday	Closed

Prior to attending these locations, it is advised that opening times are checked.

How to respond to the consultation

The consultation is open from **4 February to 6 March 2026**.

Responses to this consultation can be submitted by email to info@greengenvyrnwylfrankton.com or FREEPOST Green GEN Cymru V2F (no further stamp or address needed).

All responses to the consultation must be received by 11:59 on **6 March 2026**.

When deciding on the final form of the proposed application for a DCO for the Project, Green GEN Cymru will take into account any response to this publicity or the consultation that is received before the specified deadline. A Consultation Report will be submitted as part of the application which will provide details of the pre-application consultation undertaken by Green GEN Cymru, summarise any relevant responses received, and explain the account taken by the Green GEN Cymru of those relevant responses.

Green GEN Cymru may be required to make copies of representations available to the Secretary of State. However, Green GEN Cymru will request that personal details are not placed on the public record. Personal details will be held securely in accordance with the Data Protection Act 2018 and will be used solely in connection with the consultation process and the development of this Project and, except as noted above, will not be disclosed to any third parties.

If you have any questions about the Project or the consultation, please get in touch:

Email: info@greengenvyrnwyfrankton.com **Telephone:** 0800 915 3590
