Dear Planning Inspectorate,

Thank you for your letter sent on 6 May 2025 regarding the proposed development Morven Hawthorn Pit Grid Connection Project. We would like to inform you that the Government of the Netherlands would like to participate in the procedure under Regulation 32 in relation to this application and we appreciate to be kept up-to-date. As of yet, my colleagues do not have any comments on the proposed development.

With kind regards,

[REDACTED]
