[REDACTED]

Good morning

I refer to your consultation in respect of the above.

I appreciate a response was required by 5<sup>th</sup> December 2025 and note that the Inspectorate has issued a Scoping Opinion.

I can confirm the only comments the Council has to make relate to heritage considerations:

‘Based on the description and maps extract the part of the proposal in Northamptonshire lies wholly within North Northants Administrative Area. The reconductoring of overhead power lines around Grendon may impact the landscape character of the Nene and has potential to impact setting of the Grade 1 registered Park of Castle Ashby subject to detailing.’

Kind Regards
