Proposed application by Aldbrough Hydrogen Storage Limited for an Order Granting Development Consent for the Aldbrough Hydrogen Storage Project

Acknowledgement of receipt of information concerning proposed application

Thank you for your letter of Monday 17 June 2024 and the following documentation:

- Section 48 notice
- Sample Section 44 letter
- Sample Section 42 letter

Thank you for a link to your website where the following consultation materials will be available to consultees as part of this consultation:

- Preliminary Environmental Assessment Report (including Plans, Figures, Appendices and Non-Technical Summary)
- AHS consultation brochure
- AHS consultation feedback form
- AHS consultation poster
- Section 47 notice
- Section 48 notice; and,
- Statement of Community Consultation.

I acknowledge that you have notified the Planning Inspectorate of the proposed application for an Order granting development consent for the purposes of section 46 of the Planning Act 2008 and supplied the information for consultation under section 42. The following reference number has been given to the proposed application, which I would be grateful if you would use in subsequent communications:

EN030003

I also acknowledge that you have provided notification in accordance with Regulation 8(1)(b) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 as part of your Environmental Impact Assessment Scoping Report dated 31 May 2023 and in your section 48 notice that you propose to provide an environmental statement in respect of the Proposed Development.

I will be your point of contact for this application – contact details are at the top of this letter.

The role of the Planning Inspectorate in the application process is to provide independent and impartial advice about the procedures involved and to have open discussions with potential applicants, statutory bodies and others about the processes and requirements of the regime. It is important that you keep us accurately informed of your timetable and any changes that occur.

We will publish advice we give to you or other Interested Parties on our website and, if relevant, direct parties to you as the Applicant. We are happy to meet at key milestones and/or provide advice as the case progresses through the Pre-application stage.

Once you have prepared draft documents we are able to provide technical advice, in particular on the draft Development Consent Order, Explanatory Memorandum, the Consultation Report and any draft Habitats Regulations Assessment. You may therefore wish to build this into your timetable.

In the meantime, you may wish to have regard to the guidance and legislation material provided on our website including the Infrastructure Planning (Fees) Regulations 2010 (as amended) and associated guidance, which you will need to observe closely in establishing the correct fee to be submitted at the successive stages of the application process.

When seeking to meet your pre-application obligations you should also be aware of your obligation under the current data protection legislation to process personal data fairly and lawfully.

If you have any further queries, please do not hesitate to contact me.

Yours sincerely,

Simon Raywood
