Dear Mr. Jones,

Application by Esso Petroleum Company, Limited for an Order Granting Development Consent for the Southampton to London Pipeline Project

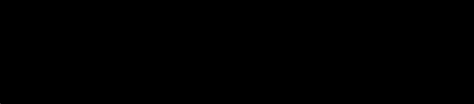

We are instructed by The Hood Estate which has made a Relevant Representation (your ref. RR-023) (herein 'this Relevant Representation') in respect of the above-mentioned application for development consent.

Since submitting this Relevant Representation, we have received an appropriate undertaking and assurance from Esso Petroleum Company, Limited that The Hood Estate's land interest will be satisfactorily protected such that during construction of the development subsoil will not be mixed with topsoil and that top soil will be placed on re-instated ground.

This letter is to notify the Examining Authority that The Hood Estate formally withdraws this Relevant Representation in respect of the application for development consent as made by Esso Petroleum Company, Limited.

If the Examining Authority have any questions or require further information, please do not hesitate to contact me (details on the top of this letter). In the meantime, I look forward to receiving acknowledgement of this letter.

Yours sincerely,
