18th December 2019

Dear Sir/Madam,

Surrey Heath Borough Council's Deadline 3 submissions.

With regards to the ExA's Action points from the Issue Specific Hearing on the Draft Development Consent Order held on the 27th November 2019, the Council makes the following representations:

- **Action 14** - In addition to the lighting strategy agreed at action point 12, the Council would seek to amend 6(2)(d)(v) to read "soil handling and management plan". The Council would also seek to add "a pollution incident control plan" to the provisions of 6(2)(d).
- **Action 19** - With regard to requirement 12, the outline LEMP has been the subject of consultation between Runnymede Borough Council, Rushmoor Borough Council, Spelthorne Borough Council and Surrey Heath Borough Council. The agreed outline LEMP is attached for consideration.

In response to the Applicant's Deadline 2 submissions and as a summary of matters raised at the Issue Specific Hearings on Environmental Matters, the Council is submitting the following two written representations:

1. Written Response to the ExA's request for a corporate position on the routing of the proposed pipeline in the Turf Hill area (includes a response to **Action 30** arising from the Issue Specific Hearings on Environmental Matters on the 3rd December).
2. Written Representation on matters relating to the Thames Basin Heaths SPA and St Catherines Road SANG (includes a response to **Action 41** arising from the Issue Specific Hearings on Environmental Matters on the 3rd December and a response to **Action 21** arising from the Issue Specific Hearings on Environmental Matters on the 4th December).

Please note a further submission has been made by Savills on behalf of the Council in respect of a proposed outline for site specific Construction Method Statement.

Yours faithfully,

[REDACTED]
