Dear Sirs,

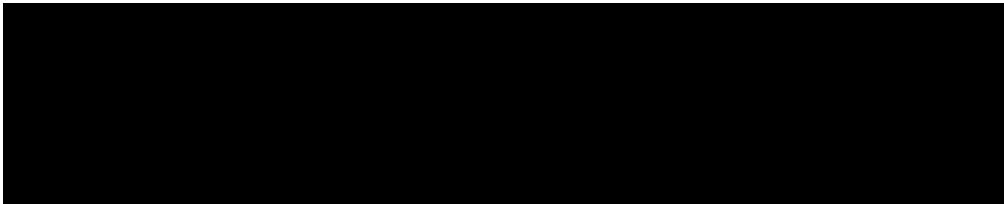

Re: Southampton to London Pipeline Project Development Consent Order

We act for National Grid Electricity Transmission Plc who made a relevant representations to the above order on the 12th July 2019.

National Grid Electricity Transmission Plc have now reached agreement on the terms of protective provisions for inclusion in the order and other commercial terms. The promoter will be including these agreed terms for Protective Provisions for the benefit of National Grid in the next version of the Development Consent Order submitted to the examining authority.

Accordingly in light of the above, National Grid Electricity Transmission Plc now withdraw their relevant representation to the above Order.

Yours sincerely
