---

Good afternoon,

On behalf of Venator Materials UK Ltd (hereafter referred to as Venator), I submitted the attached representation in September 2024 which confirmed that Venator welcomed the development of the H2 Teesside Project but that commercial discussions were ongoing between Venator and the Applicant which needed to be resolved before Venator could fully support the proposals. I wrote to the Planning Inspectorate on 12 November 2024 to advise that as commercial discussions were progressing in a positive manner, Venator did not need to be represented at the Compulsory Acquisition Hearings (email attached).

I am now in a position to advise that commercial discussions have concluded to the satisfaction of Venator. As a result, I can confirm that Venator are in full support of the proposed development.

Kind regards,
