You don't often get email from [REDACTED]@redcar-cleveland.gov.uk. [Learn why this is important](#)

Good afternoon,

Planning Act 2008 (as amended) and the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 (The EIA Regulations) – Regulations 10 and 11
Application by H2NorthEast Limited (the applicant) for an Order granting Development Consent for H2NorthEast (the proposed development)
Scoping consultation and notification of the applicant's contact details and duty to make available information to the applicant if requested

I apologise for the timing of this response which is due to work pressures and priorities.

I can confirm that having reviewed the submitted documents this Council does not have any comments in respect of Scoping that it would require to be included in the SoS response. Officers of the Council are in direct contact with the applicant and their agents on relevant pre-application matters, including matters in respect of the EIA. In accordance with your letter the LPA understands that in the absence of a response by the deadline given, you have assumed the LPA has no comments and that comments received after the due date will not be included within the Scoping Opinion but will be forwarded to the applicant.

Kind regards
