Regulation Number	Regulation 5(2)(a)
Planning Inspectorate Scheme Reference	TR010022
Application Document Reference	6.3
Author	A38 Derby Junctions Project Team, Highways England

Version	Date	Status of Version
1	April 2019	DCO Application

Appendix 1.1 Competent Expert Evidence

This EIA has been undertaken by competent experts with the relevant and appropriate experience in their respective topics. A summary of the experience of the EIA team is presented in Table 1.

Table 1: EIA team qualifications and relevant experience

Topic	Name	Relevant academic qualifications	Relevant professional qualifications	Other relevant experience
Environment Lead (responsible for overall Environmental Statement (ES) and compilation of ES Chapters 1 - 4) [TR010022/APP/6.1]	Dr Simon R Wild	BSc(Hons) Physical Geography PhD Environmental Chemistry	<ul style="list-style-type: none"> Chartered Environmentalist (CEnv) Full Member of the Institute of Environmental Management and Assessment (MIEMA) IEMA Principal EIA Practitioner 	<ul style="list-style-type: none"> 25 years' environmental consulting experience. 21 years' infrastructure EIA experience. Expert witness for environment at highways public inquiry.
Air Quality	Michele Hackman	BSc (Hons) Environmental Chemistry MSc Atmospheric Sciences	<ul style="list-style-type: none"> Chartered Scientist (CSci) Fellow of the Royal Meteorological Society (RMetS) Member of the Institute of Air Quality Management (IAQM) Member of the Institution of Environmental Sciences (MIEnvSc) 	<ul style="list-style-type: none"> 30 year's air quality consulting experience. Former Highways Agency's air quality advisor for eight years. Development of the DMRB air quality guidance. Expert witness experience, including for highway schemes.

Topic	Name	Relevant academic qualifications	Relevant professional qualifications	Other relevant experience
Cultural Heritage Lead	Neil Macnab	BA (Hons) Archaeology	<ul style="list-style-type: none"> Member of the Chartered Institute for Archaeology (MCIfA) 	<ul style="list-style-type: none"> 25 years' experience in archaeology and heritage consultancy. Cultural heritage lead on numerous highways projects in England and Northern Ireland. Development of the DMRB cultural heritage guidance. Expert witness on archaeology at public enquiry and planning appeals. Cultural heritage advisor to Highways England (2016 - 2017).
Landscape and Visual Lead	Jennifer Aston	BA (Hons) post graduate diploma Landscape Architecture	<ul style="list-style-type: none"> Chartered Landscape Architect CMLI Member of the Landscape Institute 	<ul style="list-style-type: none"> 12 years' experience in Landscape and Visual Impact Assessments (LVIA) and EIA. Possesses detailed knowledge of LVIA as applied to linear infrastructure developments, and has assessed many highway projects.

Topic	Name	Relevant academic qualifications	Relevant professional qualifications	Other relevant experience
Biodiversity Lead	Hannah Procter	BSc Natural Sciences (Biology, Psychology and Economics)	<ul style="list-style-type: none"> Full Member of the Chartered Institute of Ecology and Environmental Management (MCIEEM) Practitioner of the Institute of Environmental Management and Assessment (PIEMA) 	<ul style="list-style-type: none"> 12 years' professional experience in ecology and environmental management. Extensive Highways England project experience. Experience with Nationally Significant Infrastructure Projects (NSIPs) for linear schemes. Conducted ecological impact assessments and coordinated surveys for a range of projects, including highways schemes, over the last 10 years.
Noise and Vibration Lead	Suzanne Scott	BSc (Hons) Geography MSc Environmental Science Diploma Acoustics and Noise Control	<ul style="list-style-type: none"> Chartered Scientist (CSci) Member of the Institute of Acoustics (MIOA) Member of the Institution of Environmental Sciences (MIEnv) 	<ul style="list-style-type: none"> 21 years' experience in acoustics, including 17 years' in consultancy. Successfully led noise assessments for over 20 highway schemes. Member of the Highways England 'Peer to Peer' Acoustics Group. Expert witness experience, including for highway schemes.

Topic	Name	Relevant academic qualifications	Relevant professional qualifications	Other relevant experience
Geology and Soils Lead	David Evans	BSc (Hons) Agricultural Biochemistry MSc Environmental Rehabilitation	<ul style="list-style-type: none"> Chartered Environmentalist (CEnv) Chartered Scientist (CSci) Member of the Institution of Environmental Sciences (MIEnv) 	<ul style="list-style-type: none"> 22 years' experience of assessment and remediation of contaminated land. Has successfully provided technical inputs regarding land contamination, waste management, geology and soils into large infrastructure and development projects, including numerous highway schemes.
Road Drainage and the Water Environment Lead	Sheila Banks	BA (Hons), Natural Sciences PhD Biotechnology PGCert Water and Environmental Management	<ul style="list-style-type: none"> Affiliate Member Institute of Environmental Management and Assessment (IEMA) 	<ul style="list-style-type: none"> 20 years' experience in coordinating EIAs for major highways projects and undertaking assessments of impacts on water quality, road drainage and the water environment.
Material Assets and Waste Lead	Mike Bains	BSc (Hons) Chemistry	<ul style="list-style-type: none"> Chartered Chemist (CChem) Member of the Royal Society of Chemistry (MRSC) 	<ul style="list-style-type: none"> 20 years' experience in waste management. Has successfully worked on material assets and waste impact assessments for a wide range of infrastructure projects, including highways.

Topic	Name	Relevant academic qualifications	Relevant professional qualifications	Other relevant experience
People and Communities Lead	Dave Widger	BSc (Hons) Economics MSc Economics	<ul style="list-style-type: none"> Royal Town Planning Institute (RTPI) Associate 	<ul style="list-style-type: none"> 18 years' socio-economic/ communities/ health impact assessment experience HS2 Environmental Overview Consultant Technical Lead for the community assessment Has worked on a number of major infrastructure schemes across the UK including A303 Stonehenge, HS2, Crossrail 2, Heathrow
Climate Lead	Ian Davies	BA (Hons) Environmental Studies	-	<ul style="list-style-type: none"> Over 15 years' experience in the management and delivery of energy efficiency, carbon management and climate change assessment Has successfully project managed a range of carbon accounting, carbon reduction and Life Cycle Assessment projects for large scale infrastructure projects
Cumulative Assessment Lead	Dr Simon R Wild	BSc(Hons) Physical Geography PhD Environmental Chemistry	<ul style="list-style-type: none"> Chartered Environmentalist (CEnv) Full Member of the Institute of Environmental Management and Assessment (MIEMA) IEMA Principal EIA Practitioner 	<ul style="list-style-type: none"> 25 years' environmental consulting experience 21 years' infrastructure EIA experience, including undertaking and managing cumulative impact assessments Expert witness for environment at highways public inquiry
