

Application by Highways England for an Order Granting Development Consent for the A38 Derby Junctions Scheme
Table for Examining Authority's Rule 17 request for further information dated 21 April 2020
Issued on 21 April 2020

The following table sets out the Examining Authority's (ExA's) request for representations regarding potential Hearings. The responses to these questions will help the ExA to decide:

- which Hearings, if any, will be held; and
- if Hearings are held, what the arrangements and preparations will be.

Please provide your responses in the shaded boxes in the table, as indicated.

Recognising that most people are likely to access any Hearings from their home rather than their workplace, please could the table be completed by each person who may wish to speak at, or observe, a Hearing.

Please return a completed copy of the table by email to A38DerbyJunctions@planninginspectorate.gov.uk. Please contact the case team at that same email address or by telephone at 0303 444 5000 if you have any difficulty completing the form.

Responses are to be provided by Deadline 11, on Tuesday 28 April 2020.
