FAO A38 Derby Junctions Case Team

Dear Sirs

I write on behalf of Breadsall Parish Council in response to the latest round of consultation and the receipt of your email of the 23rd September.

The Parish Council would comment as follows: -

We still consider the choice of Preferred Route to be incorrect, being based on the flawed original 2003 consultation.

In the meantime, we would refer you to the more specific comments made by the Breadsall A38 Action Group in their email of 3 October, which we would like addressed as part of your scheme development.

We look forward to a continued dialogue and further meeting/s with yourselves as you develop your mitigation proposals.

Yours faithfully

Liz Holgate
