## Appendix 1.1: Competent Expert Evidence

Jamie Gleave MLPM (Hons) CEnv CSci MIEMA MEnvSc

### **Associate Director: AECOM**

- 1.1.1 Jamie Gleave has over 18 years of experience in the co-ordination, management, direction and technical review of Environmental Impact Assessments (EIA) and Environmental Statements.
- 1.1.2 He holds a Masters in Landscape Planning and Management, and is a Chartered Environmentalist and Chartered Scientist. He is also a full member of the Institute of Environmental Management and Assessment (IEMA), and is a full member of the Institution of Environmental Sciences.
- 1.1.3 Jamie frequently leads on complex linear development projects across the UK. He possesses wide ranging experience in the transportation sector, having been involved in the environmental assessment and delivery of over 20 highway projects for different promoters.
- 1.1.4 He has undertaken planning and environmental assessor roles on a number of nationally significant infrastructure projects within England and Wales, including:
  - a. the Wylfa Newydd Nuclear Power Station project;
  - b. the Teesside Generating Station and Harbour Facilities project;
  - c. the East Anglia ONE Offshore Wind Farm project; and
  - d. the Rampion Offshore Wind Farm project.
- 1.1.5 He has prepared expert evidence on several projects and has represented clients at planning committee meetings. He is regarded as a subject matter expert on EIA matters, and has delivered environmental training and authored several technical papers on the subject.
- 1.1.6 Jamie is responsible for managing and maintaining AECOM's "EIA Quality Mark" accreditation with IEMA.
