1 Introduction

1.1 Purpose of this document

- 1.1.1 The purpose of this document is to provide a guide to Highways England's M42 Junction 6 Development Consent Order (DCO) application pursuant to the Planning Act 2008. The original application was submitted to the Planning Inspectorate on 2 January 2019, and accepted for examination on 30 January 2019.
- 1.1.2 Since submission, several of the original documents have been revised. This guide charts the submission of these documents to the Planning Inspectorate. This is a live document and will be updated throughout the examination period and submitted, when updated, for each deadline.

1.2 Structure of this document

- 1.2.1 This document comprises two chapters, as follows:
 - Chapter 1:** Introduction
 - Chapter 2:** Document Tracker

2 Document Tracker

2.1 Master document list

2.1.1 This section presents the master document list, which provides a list of all documents submitted to date, indicating either the latest revision (if applicable) or when a new document was submitted. The documents are grouped by volume, as shown in **Table 1**.

Table 1 Volumes of Documents

Volume		Content
1	Application Form	The completed application form and an introduction to the Scheme.
2	Plans/Drawings	These include plans that illustrate the location of the Scheme, the proposed works, the land that will be acquired or used, and engineering details.
3	Draft Development Consent Order	This is the document that sets out the legal powers that Highways England is seeking to enable it to build, operate and maintain the Scheme, together with a separate document, the Explanatory Memorandum, explaining the provisions of the Order.
4	Compulsory Purchase Information	Documents setting out the land to be acquired or used, and reports justifying the seeking of compulsory acquisition powers over this land.
5	Consultation Report	This section contains the Consultation Report and its appendices.
6	Environmental Statement, Reports and Other Environmental Documents	An assessment of the likely significant effects (both positive and negative) of the Scheme on the environment and a description of mitigation measures proposed to reduce any negative impacts.
7	Other Documents	Additional documents that support this DCO application including a Planning Statement and a Transport Assessment.
8	Examination Documents	New documents submitted to the Planning Inspectorate, including Statements of Common Ground (SoCGs).

2.1.2 **Table 2** is the master document list. Greyed out documents have been superseded. Numbers in parentheses refer to the revision number of the relevant document.
