Subject: RE: THE M25 JUNCTION 10/A3 WISLEY INTERCHANGE DEVELOPMENT CONSENT ORDER 2022 – NOTIFICATION OF NON-MATERIAL CHANGE APPLICATION

Good morning,

Thank you for your patience.

This would ordinarily have come to me rather than the PCC's office.

I am authorised to reply to your proposal on behalf of Surrey Police, I can confirm that you have fulfilled your legal obligation to consult with us on these proposed changes to the highway.

I understand that National Highways have applied for a non-material change to the Development Consent Order (DCO). The change will address a conflict between the fixed speed limits prescribed by the DCO and the variable speed limits prescribed under The M25 Motorway (Junctions 7 to 16) (Variable Speed Limits) Regulations 2012 ("SI 2012") for certain stretches of road subject to the DCO.

I have considered National Highways application and the reasoning for the change of DCO, I have no objections in principle.

Kind regards,
