136					Occupier at Gammonfields Way Travellers site. Occupied by way of a licence agreement from Thurrock Council. On site consultation events have been held and attended by Thurrock Council representatives and members of the travelling community to seek feedback on alternative relocation options for this site. During COVID-19 options and engagement were shared via a private Facebook Group as well as engagement by the Traveller Liaison Officer for Thurrock Council. New site agreed in principle by both Thurrock as the Freeholder and by the occupiers. All occupiers will be relocated onto the new site and discussions are ongoing to agree the final details of the design of the site layout. This will enable an indicative plan to be agreed.

On site consultation events have been held and attended by Thurrock Council representatives and members of the travelling community to seek feedback on alternative relocation options for this site. During COVID-19 options and engagement were shared via a private Facebook Group as well as engagement by the Traveller Liaison Officer for Thurrock Council. New site agreed in principle by both Thurrock as the Freeholder and by the occupiers. All occupiers will be relocated onto the new site and discussions are ongoing to agree the final details of the design of the site layout. 462	John Beaney	Cat 1	29-40	CA			Occupier at Gammonfields Way Travellers site. Occupied by way of a licence agreement from Thurrock Council. On site consultation events have been held and attended by Thurrock Council representatives and members of the travelling community to seek feedback on alternative relocation options for this site. During COVID-19 options and engagement were shared via a private Facebook Group as well as engagement by the Traveller Liaison Officer for Thurrock Council. New site agreed in principle by both Thurrock as the Freeholder and by the occupiers. All occupiers will be relocated onto the new site and discussions are ongoing to agree the final details of the design of the site layout. This will enable an indicative plan to be agreed.

On site consultation events have been held and attended by Thurrock Council representatives and members of the travelling community to seek feedback on alternative relocation options for this site. During COVID-19 options and engagement were shared via a private Facebook Group as well as engagement by the Traveller Liaison Officer for Thurrock Council. New site agreed in principle by both Thurrock as the Freeholder and by the occupiers. All occupiers will be relocated onto the new site and discussions are ongoing to agree the final details of the design of the site layout. This will enable an indicative plan to be agreed.

563	Linda Baker	Cat 1	29-40	CA			Occupier at Gammonfields Way Travellers site. Occupied by way of a licence agreement from Thurrock Council. On site consultation events have been held and attended by Thurrock Council representatives and members of the travelling community to seek feedback on alternative relocation options for this site. During COVID-19 options and engagement were shared via a private Facebook Group as well as engagement by the Traveller Liaison Officer for Thurrock Council. New site agreed in principle by both Thurrock as the Freeholder and by the occupiers. All occupiers will be relocated onto the new site and discussions are ongoing to agree the final details of the design of the site layout. This will enable an indicative plan to be agreed.	N/A	N/A

H. Cole & Sons. Proposals for a replacement area for the Showground were presented prior to Design Refinement consultation and subsequently not progressed following feedback from the company. Proposals for a gas pipeline diversion have been refined to reduce impact and the amount of Showground land in the Order Limits. This would ensure that the site could continue to operate during construction of the Project. The Applicant would work with the company to mitigate impacts during construction. Opportunity to acquire the permanent land interests required has been discussed.			RR-0805	N/A

839							Occupier at Gammonfields Way Travellers site. Occupied by way of a licence agreement from Thurrock Council. On site consultation events have been held and attended by Thurrock Council representatives and members of the travelling community to seek feedback on alternative relocation options for this site. During COVID-19 options and engagement were shared via a private Facebook Group as well as engagement by the Traveller Liaison Officer for Thurrock Council. New site agreed in principle by both Thurrock as the Freeholder and by the occupiers. All occupiers will be relocated onto the new site and discussions are ongoing to agree the final details of the design of the site layout. This will enable an indicative plan to be agreed.

Several meetings have been held to discuss mitigating the impact on Veolia site and in particular use of their access road (Medebridge Road) as a Project construction haul road and also potential conflicts arising with Environment Agency 'permitting' issues. Veolia is therefore fully aware of the Project and its potential impact upon their property. A draft side agreement based upon an initial draft agreement submitted by Veolia in their Written Representations is being negotiated and will hopefully be completed before the end of Examination.</p> <p>Conversation regarding Preferred Route Announcement</p>	RR-1125	REP1-430
