Subject: Lower Thames crossing

Hello Ms Hay

I understand that you are the minister responsible for assessing whether the Lower Thames Tunnel will go ahead or not. I would urge you to visit and see just how inadequate the existing Dartford crossing is before consigning people crossing the Thames to yet more years of misery and pollution caused by the queues of traffic trying to get across, with the pressure particularly bad in summer with queues building from 11am and not easing until late in the evening.

regards

Mark Long
