Subject: Proposed Lower Thames Crossing

Dear Chancellor Reeves,

It is reported that you have decided this project can go ahead. I write to offer the services of one of the largest civil engineering contractors from Turkey. They built the two tunnels below the Bosphorus Strait and are therefore very experienced with such undertakings.

Furthermore it may be possible to fully fund this exercise on a Build, Operate, Transfer (BOT) basis similar to that used for the Dartford Bridge.

I would be very grateful if you could pass this to the desk dealing with this project so that we may expand on the offer further. I feel certain you will be suitably impressed with the proposals. Thank you for your attention to this message.

Best wishes,
