Good Morning

Can you please ignore my earlier email and rely upon what I have said below.

I act on behalf of United Utilities Water Limited in this matter.

I confirm that we have reached agreement with National Highways regarding the above Scheme and the statement made by the Applicant below represents the position agreed by UU Water Limited and by this email, I on behalf of UU Water Limited withdraw our earlier representations.

"The Secretary of State has also requested an update on progress in relation to discussions between the Applicant and United Utilities (UU). Since the close of the Examination the Applicant and UU have reached agreement. The Applicant can confirm that following agreement having been reached, no changes are required to the protective provisions submitted in favour of UU and included at Part 1 of Schedule 9 of the draft Development Consent Order submitted at Deadline 12 on 16 May 2022 [REP12-002] ("dDCO"). However, UU has advised that the correct company to be identified at Article 2(1) of the dDCO is United Utilities Water Limited with company number 02366678. In the event that the Secretary of State is content to make this change, corresponding name changes would be required at Article 9(4)(b) and Schedule 1 Work Numbers 58, 59, 60, 62 and 65. The Applicant has shared this response with UU and is able to confirm that UU has endorsed the submission of this response to the Secretary of State. The Applicant understands that UU intends to write to the Secretary of State confirming this statement represents the agreed position of both parties and withdrawing its earlier representations."

Kind regards

Neil
