**Subject:** A57 Link Roads

An absolute waste of taxpayers money what is now a bypass of Mottram town centre traffic lights, after 50 odd years of broken promises and this is the result. Traffic being moved further along towards Hollingworth motorway traffic joining traffic from Stalybridge and creating even longer queues along back moor and a crossroad junction on the A57 along with a single lane link road to Brookfield. Do the job properly or call it a day. John Howe.
