1 INTRODUCTION

1.1 Introduction

1.1.1 This document provides a guide to Highways England's A585 Windy Harbour to Skippool Improvement Scheme (the Scheme) Development Consent Order (DCO) application pursuant to the Planning Act 2008. The original application was submitted to the Planning Inspectorate on the 29 October 2018, and accepted for examination by the Examining Authority on 26 November 2018.

1.1.2 Since submission, a number of the original application documents have been revised and new documents produced. This guide charts the submission of these documents to the Planning Inspectorate. This is a live document and will be updated throughout the examination period and submitted, when updated, for each deadline.

1.2 Master Document List

1.2.1 The master document list table provides a full list of all the documents submitted to date, indicating either the latest revision (if applicable) or when a new document was submitted. For ease of navigation these documents are grouped by volumes:

Volume	Content
1	Application Form / Information / Background The completed application form and an introduction to the Scheme.
2	Plans, drawings and sections These include plans that illustrate the location of the Scheme, the proposed works, the land that will be acquired or used, and engineering details.
3	Draft Development Consent Order and related documents This is the document that sets out the legal powers that Highways England is seeking to enable it to build, operate and maintain the Scheme, together with a separate document, the Explanatory Memorandum, explaining the provisions of the Order.
4	Compulsory acquisition information Documents setting out the land to be acquired or used, and reports justifying the seeking of compulsory acquisition powers over this land.
5	Reports/Statements Reports including the Consultation Report, Habitats Regulations Assessment and other Reports / Statements relevant to this DCO and not dealt with elsewhere in the application.
6	Environmental Impact Assessment (EIA) information An assessment of the likely significant effects (both positive and negative) of the Scheme on the environment and a description of mitigation measures proposed to reduce any negative impacts.
7	Other Documents (including Examination documents) Additional documents that support this DCO application including a Planning Statement and a Transport Assessment. This also includes additional documents that are submitted during the Examination process.
8	Statements of Common Ground Additional documents that support the DCO application and have been produced to confirm to the Examining Authority where agreement has been reached between the Applicant and various interested organisation. The Statements of Common Ground reflect those required as part of the Rule 6 letter.

Highlighted documents are the latest versions and numbers in parentheses refer to the Revision number of the relevant document.
