Dear Mr Wiltshire

DEADLINE 6 SUBMISSION: APPLICATION BY HIGHWAYS ENGLAND FOR AN ORDER GRANTING DEVELOPMENT CONSENT FOR THE A585 WINDY HARBOUR TO SKIPPOOL IMPROVEMENT SCHEME

We would like to provide the following update to the Examining Authority (ExA) in relation to the details submitted by the Applicant by Deadline 5 (9 August 2019).

Revised draft Development Consent Order (dDCO)

We have reviewed revised dDCO, application document reference TR010035/APP/3.1 – Deadline 5 Draft (dated 9 August 2019) and, as requested, the Requirement for further detail in relation to the temporary compensatory flood storage scheme has been included (Requirement 14, page 48) with the wording that we have agreed with the Applicant's consultant, Arcadis.

Provided that the final version of the DCO includes Requirement 14, we consider that all outstanding flood risk matters have been resolved, insofar as it relates to our remit. This is reflected in the final Statement of Common Ground, application document reference TR010035/APP/8.3 – Rev 1 (July 2019), which was submitted at Deadline 4 (12 July 2019).

If you have any questions about the above, please do not hesitate to contact me.

Yours sincerely

Mr Alex Hazel
