Dear Sir,

I would be grateful if you could submit the following representation of the British Horse Society in respect of Deadline 7 to the Examining Authority:

‘The British Horse Society strongly supports the submission by South Somerset Bridleways Association in respect of deadline 7, and specifically asks that if provision for equestrians is not being provided where it is being provided for walkers and cyclists, that specific reasons are given as for their exclusion, so it is clear to equestrians from the decision letter, as to why in those instances they are being required to ride on the carriageway with all of the fast flowing vehicular traffic whilst walkers and cyclists are being provided with a safe alternative.’

Yours faithfully,
