Dear Gillian,

**A47 Wansford to Sutton dualling scheme**  
**Consultation on draft Statement of Community Consultation 1 August – 29 August 2018**  
**Planning Act 2008 Section 47(2)**

I am writing regarding the draft Statement of Community Consultation (SoCC) for the A47 Wansford to Sutton dualling scheme (enclosed). As you may be aware, we are currently preparing an application for a Development Consent Order (DCO) that will allow us to make improvements to the A47 from Wansford to Sutton. The DCO application will be submitted to the Planning Inspectorate (PINS) for examination before a final decision is made by the Secretary of State for Transport.

This is a large-scale project known as a Nationally Significant Infrastructure Project (NSIP) and we have been developing our proposals in consultation with statutory stakeholders, landowners, businesses and local communities in Peterborough. To date, our consultation has been in the 'informal' or 'non-statutory' stage. As part of that informal consultation process, we have sought your views on how we should consult the local community on the proposed project. We are grateful to your authority for the informal input you have provided in shaping how we propose consult the local community. We are also required to formally consult your authority on how we propose to consult the local community.

The Planning Act 2008 requires Highways England to:  
"consult the relevant local authority on what should be in the promoter's Statement of Community Consultation (SoCC), which will describe how the promoter proposes to consult the local community about the proposals" (Planning Act 2008 Guidance Note).

We are inviting you on behalf of your local authority to participate in the consultation on the contents of our SoCC under Section 47 of the Planning Act 2008.

Please find enclosed a copy of the draft SoCC for your review. The consultation on the draft SoCC commences on Wednesday 1 August 2018. The timings for the consultation are set out below:

**Consultation Start:** Wednesday 1 August 2018

**Consultation End:** Wednesday 29 August 2018

**Please note that all responses to this consultation must be received by 11:59pm on Wednesday 29 August 2018**
