# 1 Introduction

## 1.1 General

- 1.1.1 National Highways (the Applicant) has submitted an application under Section 37 of the Planning Act 2008 (PA 2008) for an order to grant development consent for the A428 Black Cat to Caxton Gibbet improvements (the Scheme).
- 1.1.2 These Streets, Rights of Way and Access Plans (these Plans) have been prepared to accompany the application for a Development Consent Order (DCO), made by the Applicant to the Secretary of State for Transport (SoS) via the Planning Inspectorate (the Inspectorate).
- 1.1.3 The Application is seeking powers to construct a new 10 mile (16km) dual 2-lane carriageway from Black Cat roundabout to Caxton Gibbet roundabout, to be known as the A421, and in addition approximately 1.8 miles (3km) of tie-in works. A detailed description of the Scheme can be found in **Chapter 2** of the Environmental Statement [APP-071].
- 1.1.4 These Plans comprise part of the suite of Application documentation and are included in the Application in compliance with Regulation 5(2)(k) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (the 2009 Regulations), which requires:
- '5(2)(k) where applicable, a plan identifying any new or altered means of access, stopping up of streets or roads or any diversions, extinguishments or creation of rights of way or public rights of navigation.'*
- 1.1.5 These Plans are also being submitted under Regulation 5(4) of the 2009 Regulations which states:
- "Where a plan comprises three or more separate sheets a key plan must be provided showing the relationship between the different sheets."*
- 1.1.6 In order to assist the interpretation of Sheet 1 of the Streets, Rights of Way and Access Plans, National Highways have prepared sub-sheets which show the following:
- a) Sheet 1A Highways: Highways to be stopped up and new and improved highways
  - b) Sheet 1B: Existing private means of access and public rights of way to be stopped up, and new and improved private means of access, footway, footpath, cycle track, bridlepath and bridleway.
- 1.1.7 These Plans have been updated at Deadline 10 to address minor changes to the limits of deviation, the introduction of a 'bridlepath' and drafting inaccuracies raised by Cambridgeshire County Council after Deadline 9.
- 1.1.8 As these Plans are part of the Application documentation, they should be read alongside and are informed by the other Application documents. In particular, these Plans should be read alongside Schedules 3 and 4 of the draft DCO [TR010044/APP/3.1v6].

## 2 Schedule of plans included in this application document
