Subject: Deadline 8 Submission

Dear Sirs

In relation to the letter from the ExA dated 19 March 2021 it was requested that 'SCC to confirm by Deadline (D) 8, 7 April 2021 whether it considers that protective provisions in its favour are necessary.'

We have reached an informal arrangement with Highways England generally and as a result no longer require any protective provision to form part of this DCO. This is presented in the final Statement of Common Ground submitted by Highways England at Deadline 7.

Regards
